OCTOBER/NOVEMBER 2015

## Welcome from the New President

by Mark Pattison

I'm happy to be the new president of the Shepherd Park Citizens Association. I've lived here since 2000. I quickly realized that the SPCA is one of the reasons people are drawn to our neighborhood. When it comes to "quality of life," the SPCA helps enhance the quality of all our lives.

Our next community meeting is Tuesday, Oct. 20, 7 pm at Shepherd Elementary, 14th and Jonquil. It'll be "Back to School Night" for the whole neighborhood. We'll meet Shepherd's new principal, Jade Brawley, get an update on the renovations at the school, and tour the school. The last two years have already

SPCA Board, 2015-16: Carl Bergman, June Confer, Rosemary Reed Miller, Deirdre Evans-Pritchard, Mark Pattison, Eddie Cordone, Bonnie Randolph, Paula Sanderlin Dorosti, Yoni Friedman, Cynthia Prather, Yvette Pearson, and Ed Atkins (missing Josh Gorman and Angela Martin)

brought about quite a change!

Keep our 12th annual Halloween Parade in mind. It's at Shepherd Field on Saturday, Oct. 31, at 6 p.m. sharp. Kids and adults walk a lap around the field, and kids in costume get treats along the way. It's the most concentrated

half-hour of pure fun you'll ever experience!

Also mark your calendar for our annual New Year-New Neighbor potluck Sunday, Jan. 31, at Northminster Presbyterian Church. Psst: It's not just for brand-new neighbors!

We have an ambitious agenda for the year ahead, including closer ties with Shepherd Elementary, a neighborhood-wide "Holiday Help" initiative, and an activity boosting retail along Georgia Avenue. Plans for these aren't finalized yet, so if you have ideas or caveats, call or email me (see page 2). The more we work together, the more we all benefit.

## SPCA Board Welcomes New Board Members

SPCA welcomes three new members to its Board of Directors.

Yoni Friedman has been a resident of Shepherd Park since August 2013. He and his wife, Ruth moved to the neighborhood so that she could serve as clergy at Ohev Sholom, the national synagogue at 16th and Jonquil, and so that he could begin a masters program at the John Hopkins School of Advanced International Studies. Yoni completed his degree in May 2015 and will begin work as a consultant at

Deloitte in October. Since their arrival in Shepherd Park, Yoni and Ruth have been delighted to welcome their Shih Tzu Cocoa and their son, Ezra (born August 2015) into their family. Yoni is deeply committed to fostering dialogue and improving community, and is honored to be serving on the SPCA Board.

Deirdre Evans-Pritchard came to Washington, DC about 10 years ago and moved to Shepherd Park with her twin daughters in 2014. She is a trained anthropologist and

She divides her time between her work in international education and development and her role as Executive Director of the DC Independent Film Festival. She dreams of a garden full of birds, butterflies, and delicious vegetables.

Angela Martin has lived in Shepherd Park since elementary school. She has two children, Antar and Aziza, who are presently in graduate school. Angela was an SPCA board member several years ago and looks forward to working on the board again this year.

## May Meeting Notes

by June Confer

Photo by Beth Allaben

**T**he agenda for the May 12 meeting included presentations, board elections, and SPCA updates.

Inspector Vendette Parker, Asst. Commander, MPD 4th District, spoke about the most recent crime statistics for the 4th District and distributed pamphlets with suggestions for the protection of vehicles and home properties. Residents were cautioned to be mindful of unrecognized people in the community and to report via 911 any incidents of damage or theft to property.

Brandon Todd, the newly elected Ward 4 representative to the DC Council, also spoke. He expressed appreciation to those who voted him into office and shared his plans for bringing Ward 4 issues to the council and for responding to constituent

concerns. He invited attendees to join him in working on affordable housing, public safety, education, local small businesses, and environmental issues. He asked for neighbors to consider becoming block captains as a good way to help MPD to improve public safety. Councilmember Todd expressed his support for monitoring the development of plans for the Walter Reed site.

Other speakers included Kathleen Stines, Social Worker from Child and Family Services (CFS), who spoke about the need for more foster parents; SPCA Board Member Ed Atkins, who shared information from the May 11 Zoning Commission meeting concerning the plans for Walter Reed; and Dwayne Toliver and Stephen Whatley, who presented concerns and discussions from the neighborhood ANC meetings. Co-president Michelle Colson presented the SPCA slate of officers for the coming year, which was approved unanimously (see column to the right for the election results). Mark Pattison closed the meeting with updates on several SPCA spring/summer events – the garden tour, yard sale, and annual picnic.

## SPCA Application for 501(c)(3) Status Accepted

**D**uring the summer, SPCA received notification from IRS that our application for a 501(c)(3) tax exemption was accepted. As of now, any donation to SPCA is federally tax deductible. Since DC accepts the federal deductions for its income tax filings, our donations are deductible from DC income tax as well. Thanks to Carl Bergman for spearheading this effort.

## Shepherd Elementary Welcomes New Principal

Article and Photo by Angela Martin

**T**he new principal of Shepherd Elementary School is Ms. Jade Brawley, who is entering her 15th year in education. Ms. Brawley earned her bachelor's degree in history from the University of Pittsburgh and her master's degree in elementary education from Trinity University. She taught at Davis Elementary and the Whittier Education Campus, and was an instructional coach at Tubman Elementary. Ms. Brawley was selected for the Mary Jane Patterson Fellowship in 2014 to prepare for principalship and served as resident principal at Eaton Elementary and Anne Beers Elementary. Her teaching background was in all elementary subjects and English and Language Arts.

What excites Ms. Brawley the most about working at Shepherd is the International Baccalaureate (IB) Program and the opportunity to use the program "to take Shepherd from a good school to a great school." She believes that her biggest challenge will be "improving school culture and maximizing the partnership between teachers and parents in order to

strive towards the slogan, 'Shepherd: A Jewel of a School'."

Some of Ms. Brawley's primary goals this coming year include having ongoing and consistent communication; being open and reflecting; maximizing time, including having a structure where teachers can collaborate; and releasing responsibility by letting teachers lead meetings and by building the leadership capacity of the staff. Principal Brawley will promote Shepherd Elementary to neighborhood families through social media and open houses that bring more people in to view the school.

Ms. Brawley would like everyone to know that she is most proud of being a native Washingtonian and a product of the District of Columbia Public Schools. She wants students to "look back on these years and feel that they were well-prepared to move forward to middle school and beyond." As summarized by Principal Brawley, "I am very excited to be here and ready to work."

## Douglas Development at Georgia & Eastern Still Being Considered

by Ed Atkins

**D**ouglas Development held a meeting on July 30 to update the community on the status of the development at the corner of Georgia and Eastern Avenues. Patrick Cooper, the staff person in charge of the proposed development, summarized actions during the 18-month period since their last community report and presented the following parameters of the current proposal:

- A 55,000 sq. ft. Harris Teeter supermarket;
- Approximately 217 apartment units (studios, 1br, 2br) above the

supermarket and throughout the site;

- Parking for 271 vehicles located on two below-grade levels; and
- Another 2500 sq. ft. for retail activities along Eastern Ave.

The apartments above Harris Teeter would be five stories (approximately 75 ft) but would "step down" toward the single-family residences along Kalmia Road and 12th Street. Main entrances for vehicles and pedestrians would be on Kalmia Road. Plans also include screened rooftop mechanical units to minimize noise, indoor spaces for 70 bikes, and two electric charging stations per floor in the garage. Approximately 8 percent of the apartment units would be reserved as "affordable." Under this plan, the Terra Nova building would remain. Existing Metrobus stops also would remain. Special steps would be taken to mitigate the effects of rodents and a potential rise in the water level during and after construction.

The development, currently in its schematic design phase, needs to be submitted to DC government for a Planned Unit Development (PUD). With a 12-18 month PUD process and an estimated 20 months for construction, the development could open as early as late 2019.

Community members shared their comments, expressing concerns about potential traffic, the proposed architecture, residential parking, coordination with proposed developments on the Walter Reed and Blair sites, and special consideration for seniors and young adults who want to stay in the community.
