18	In your view, do the police in your area generally do a good or bad job on the following? : Being visible in the local area	54
19	In your view, do the police in your area generally do a good or bad job on the following? : Dealing with anti-social behaviour	57
20	In your view, do the police in your area generally do a good or bad job on the following? : Stopping crime from being committed	60
21	In your view, do the police in your area generally do a good or bad job on the following? : Arresting those who commit crimes	63
22	How much confidence do you have in the UK justice system to prosecute those who are guilty of committing a crime?	66
23	Which of the following would you trust most to tackle crime in the UK?	69
24	Which do you agree with more?	72
25	Who do you think is most likely to be a victim of crime?Please select up to three.	75
26	Have you personally witnessed a crime or been a victim of crime?Please select all that apply.	78
27	When were you most recently a victim of crime?	81
28	How would you describe the crime that you were most recently a victim of?Please select all that apply.	84
29	Did you report the crime?	87
30	How satisfied were you with your experience with the police?	90
31	Did the crime get solved?	93
32	Why did you not report the crime?Please select all that apply.	96
33	When did you most recently witness a crime?	99
34	How would you describe the crime that you witnessed?Please select all that apply.	102
35	Did you report the crime that you witnessed?	105
36	How satisfied were you with your experience with the police?	108
37	Did the crime get solved?	111

38 Why did you not report the crime that you witnessed?Please select all that apply. 114

39 To what extent do you feel safe walking home alone at night in your area? 117

40 To what extent do you consider the following a problem in your local area? : Drug use 120

41 To what extent do you consider the following a problem in your local area? : Sexual harrasment 123

42 To what extent do you consider the following a problem in your local area? : Burglary 126

43 To what extent do you consider the following a problem in your local area? : Mugging 129

44 To what extent do you consider the following a problem in your local area? : Traffic offences 132

45 To what extent do you consider the following a problem in your local area? : Violent crime 135

46 To what extent do you consider the following a problem in your local area? : Hate crime (A hate crime is a crime committed against someone because they belong to a particular group i.e because of their race or sexuality) 138

47 To what extent do you consider the following a problem in your local area? : Civil disobedience 141

48 To what extent do you consider the following a problem in your local area? : Illegal migration 144

49 To what extent do you consider the following a problem in your local area? : Vandalism and graffiti 147

50 To what extent do you consider the following a problem in your local area? : Anti-social behaviour 150

51 To what extent do you consider the following a problem in your local area? : Frauds and scams 153

52 To what extent do you agree with the following? : I tell my kids to avoid certain areas near my house because it’s not safe 156

53 To what extent do you agree with the following? : I have moved house because I no longer felt me or my family were safe 159

54 To what extent do you agree with the following? : I rarely feel like I am in any danger when I am walking around my local area 162

55 To what extent do you agree with the following? : There are places I won’t go in my local area because I don’t feel safe 165
