

Public First Poll for the Centre for Social Justice

Fieldwork: 9th Aug - 15th Aug 2022
Interview method: Online Survey
Population represented: UK Parents of children aged 0-4
Sample size: 537

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking gender of parent & age of child, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride (seb@publicfirst.co.uk)

List of Tables

1	Thinking about the last decade or so, how do you think state support for the following things has changed?: Families with younger children at home . . .	4
2	Thinking about the last decade or so, how do you think state support for the following things has changed?: People who are unemployed	9
3	Thinking about the last decade or so, how do you think state support for the following things has changed?: Single parents / carers with dependent children at home	14
4	Thinking about the last decade or so, how do you think state support for the following things has changed?: People with disabilities	19
5	Thinking about the last decade or so, how do you think state support for the following things has changed?: The elderly	24
6	Thinking about the last decade or so, how do you think state support for the following things has changed?: People who are homeless	29
7	And overall, do you think raising a family with younger children at home has become easier/harder in the last decade?	34
8	You said that raising a family with younger children at home in the last decade has become harder. Why do you think that is?Select all that apply . . .	39
9	Thinking about your own experiences, which of the following comes closest to your view?	44
10	You said you would have liked to have had access to longer parental leave. Which of the following reasons explain why?Select all that apply	49
11	And thinking about your own experiences again, which of the following comes closest to your view? Please answer for your youngest child aged 18 or under.	54
12	Thinking about when you were a child up to the age of starting secondary school, before and after school and during holidays, how were you mostly looked after?	59
13	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: How early years providers – like nurseries and childminders – operate	64
14	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: School accreditation, which determines which organisations can provide primary and secondary education	69
15	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: Where children go to school (e.g. restrictions by catchment area)	74
16	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: Medical provision e.g. mandatory immunisations	79
17	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What is taught and not taught in the school curriculum	84
18	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What food is provided in schools	89
19	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: How much children exercise in schools	94
20	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What websites/online platforms children can access	99
21	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: When and how children are taught about sex and relationships	104
22	Based on the information provided above, do you think the UK’s statutory maternity leave allowance is too generous, about right, or not generous enough?	109
23	Do you think the UK’s statutory paternity leave is too generous, about right, or not generous enough?	114
24	Before this survey, had you heard of the concept of ‘shared parental leave’ in the UK?	119
25	Based on the information provided above, do you think the UK’s system of ‘shared parental leave’ is too generous, about right, or not generous enough? .	124
26	And which of the following comes closest to your view with regards to the UK’s maternity/paternity/shared parental leave system?	129
27	Which of the following statements do you agree with most?	134

28 Which of the following statements do you agree with most? 139

29 Thinking about shared parental leave, some argue that the current system discourages fathers from taking leave, as they tend to earn a higher income than mothers, making mothers the default parent on leave to keep the family’s earnings as high as possible. Others think it should be down to parents to choose how they split leave between them, regardless of the financial implications for families. With those arguments in mind, which of the following comes closest to your view? 144

30 Thinking about how the tax system might be used to help new parents, which of the following statements comes closest to your view? 149

31 And if a Government were to provide tax cuts for new parents, do you think these should be at the same rate for all new parents? 154

32 Before taking this poll were you aware of the Marriage Allowance? 159

33 Thinking about the different taxes the Government could change in the next few years, do you think it is generally a good or bad idea to look at changing this tax to reduce bills for married couples, even if it costs the Treasury money? 164

34 You said it was generally a good idea. Which of the following reasons explain why?Select all that apply 169

35 You said that it was generally a bad idea. Which of the following reasons explain why?Select all that apply 174

36 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should be extended to couples with children who live together, as well as married couples 179

37 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply only for couples with children under four . . 184

38 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply for all couples with children under 18 . . . 189

39 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply for couples with elderly caring responsibilities194

40 To the best of your knowledge, how easy or difficult is it for parents to access wraparound childcare at school? 199

41 Which of the following comes closest to your view? 204

42 If wraparound childcare had to be provided by all schools – and funded by the taxpayer – do you think there should be any conditions on who can access it?Select all that apply 209

43 Other than the care you provide for your child, which of the following other forms of childcare do you use? Select all that apply 214

44 And of the ones you indicated you use, which do you use most frequently? 219

45 What were the most important factors when deciding about the childcare options you chose?Select up to three 224

46 How much do you pay on average per week for childcare for your youngest child under 5? Even if you are not sure, please give your best estimate. . . . 229

47 And what percentage of your household’s disposable income would you say childcare makes up? Even if you are not sure, please give your best estimate. . 234

48 If money was not an issue, what forms of childcare would you prefer in addition to the care you already provide?Select up to three 239

49 And once your child reaches age 5, what forms of childcare would you prefer in addition to the care you already provide if cost was not an issue? Select up to three 244

50 If the Government decided to provide financial support and subsidies for childcare, which of the following would you prefer? 249

51 Before taking this poll which of the following were you aware of, if any?: Tax-free childcare 254

52 Before taking this poll which of the following were you aware of, if any?: 15 hours free childcare for 2 year olds for families receiving support 259

53 Before taking this poll which of the following were you aware of, if any?: 15 hours free childcare for 3-4 year olds for all families 264

54 Before taking this poll which of the following were you aware of, if any?: 30 hours free childcare for 3-4 year olds for working families 269

55 Before taking this poll which of the following were you aware of, if any?: Tax credits for childcare for children under 16 for working families 274

56 To what extend do you agree or disagree with the following?: The childcare entitlement system is too complex 279

57 To what extend do you agree or disagree with the following?: The childcare entitlement system makes it harder to choose the form of childcare we feel is best for us 284

58 Have you done or would you like to do any of the following since your child was born? Please answer based on your youngest child aged under 5.: Stop working altogether to look after my child 289

59 Have you done or would you like to do any of the following since your child was born? Please answer based on your youngest child aged under 5.: Reduce my work hours to look after my child 294

60 And thinking about when your child was aged 6 months to 1 year old (this is usually when maternity and paternity allowance no longer applies), which of the following have you done or would have liked to do? Please answer based on your youngest child aged under 5.If your child is not that age yet, please answer hypothetically based on what you think you will or would like to do when they reach that age: Stop working altogether to look after my child . . . 299

61 And thinking about when your child was aged 6 months to 1 year old (this is usually when maternity and paternity allowance no longer applies), which of the following have you done or would have liked to do? Please answer based on your youngest child aged under 5.If your child is not that age yet, please answer hypothetically based on what you think you will or would like to do when they reach that age: Reduce my work hours to look after my child . . . 304

62 And to what extent do you agree or disagree with the following? : I would like to spend more time looking after with my child(ren), but I cannot afford to financially 309

63 And to what extent do you agree or disagree with the following? : I have felt pressured to return to work as quickly as possible after the birth of my child 314

64 And to what extent do you agree or disagree with the following? : My job provides me with enough flexibility for childcare 319

65 And to what extent do you agree or disagree with the following? : It is just as easy for parents / carers to progress in their careers as people with no children 324

66 And to what extent do you agree or disagree with the following? : Parents / carers who decide to look after their children should be paid for it by Government 329

67 And to what extent do you agree or disagree with the following? : Parents / carers should be encouraged to look after their children themselves as they know what’s best for them 334

68 And to what extent do you agree or disagree with the following? : It does not matter whether a child is looked after by their parents / carers or someone else as long as their essential needs are met 339

69 And to what extent do you agree or disagree with the following? : Spending more time looking after my children would be damaging to my career 344

Fieldwork: 9th Aug - 15th Aug 2022

Data weighted by interlocking gender of parent & age of child, region and social grade to Nationally Representative Proportions

(29.A) Thinking about shared parental leave, some argue that the current system discourages fathers from taking leave, as they tend to earn a higher income than mothers, making mothers the default parent on leave to keep the family’s earnings as high as possible. Others think it should be down to parents to choose how they split leave between them, regardless of the financial implications for families. With those arguments in mind, which of the following comes closest to your view?

	Social Grade					Region											
	Total	AB	C1	C2	DE	London	South East	South West	East of England	East Midlands	West Midlands	Yorkshire and the Humber	North East	North West	Scotland	Wales	Northern Ireland
Unweighted	537	197	140	106	93	84	73	39	42	39	48	44	24	65	44	22	13
Weighted	537	145	139	118	134	75	70	43	48	38	48	43	22	59	48	27	16
Parents should be given the choice on how to split shared parental leave and Government should keep out	79%	74%	86%	77%	78%	75%	72%	89%	69%	84%	75%	76%	93%	71%	89%	87%	93%
Government should limit how much of the shared entitlement one parent can take, to encourage the other partner to also take leave	16%	21%	9%	19%	16%	21%	21%	6%	22%	16%	18%	14%	7%	22%	9%	13%	7%

Fieldwork: 9th Aug - 15th Aug 2022

Data weighted by interlocking gender of parent & age of child, region and social grade to Nationally Representative Proportions

(61.B) And thinking about when your child was aged 6 months to 1 year old (this is usually when maternity and paternity allowance no longer applies), which of the following have you done or would have liked to do? Please answer based on your youngest child aged under 5. If your child is not that age yet, please answer hypothetically based on what you think you will or would like to do when they reach that age: Reduce my work hours to look after my child
