

# Public First Poll for the Centre for Social Justice

**Fieldwork:** 9th Aug - 15th Aug 2022  
**Interview method:** Online Survey  
**Population represented:** UK Adults  
**Sample size:** 1035

## **Methodology:**

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride ([seb@publicfirst.co.uk](mailto:seb@publicfirst.co.uk))

**List of Tables**

1	Thinking about the last decade or so, how do you think state support for the following things has changed?: Families with younger children at home . . .	3
2	Thinking about the last decade or so, how do you think state support for the following things has changed?: People who are unemployed . . . . .	7
3	Thinking about the last decade or so, how do you think state support for the following things has changed?: Single parents / carers with dependent children at home . . . . .	11
4	Thinking about the last decade or so, how do you think state support for the following things has changed?: People with disabilities . . . . .	15
5	Thinking about the last decade or so, how do you think state support for the following things has changed?: The elderly . . . . .	19
6	Thinking about the last decade or so, how do you think state support for the following things has changed?: People who are homeless . . . . .	23
7	And overall, do you think raising a family with younger children at home has become easier/harder in the last decade? . . . . .	27
8	You said that raising a family with younger children at home in the last decade has become harder. Why do you think that is?Select all that apply . . .	31
9	Thinking about your own experiences, which of the following comes closest to your view? . . . . .	35
10	You said you would have liked to have had access to longer parental leave. Which of the following reasons explain why?Select all that apply . . . . .	39
11	And thinking about your own experiences again, which of the following comes closest to your view? Please answer for your youngest child aged 18 or under.	43
12	Thinking about when you were a child up to the age of starting secondary school, before and after school and during holidays, how were you mostly looked after? . . . . .	47
13	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: How early years providers – like nurseries and childminders – operate . . . . .	51
14	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: School accreditation, which determines which organisations can provide primary and secondary education . . . . .	55
15	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: Where children go to school (e.g. restrictions by catchment area) . . . . .	59
16	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: Medical provision e.g. mandatory immunisations . . . . .	63
17	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What is taught and not taught in the school curriculum . . . . .	67
18	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What food is provided in schools . . . . .	71
19	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: How much children exercise in schools . . . . .	75
20	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: What websites/online platforms children can access . . . . .	79
21	For each of the following with regards to children, do you think parents / carers have too much, too little, or the right amount of say?: When and how children are taught about sex and relationships . . . . .	83
22	Based on the information provided above, do you think the UK’s statutory maternity leave allowance is too generous, about right, or not generous enough?	87
23	Do you think the UK’s statutory paternity leave is too generous, about right, or not generous enough? . . . . .	91
24	Before this survey, had you heard of the concept of ‘shared parental leave’ in the UK? . . . . .	95
25	Based on the information provided above, do you think the UK’s system of ‘shared parental leave’ is too generous, about right, or not generous enough? .	99
26	And which of the following comes closest to your view with regards to the UK’s maternity/paternity/shared parental leave system? . . . . .	103
27	Which of the following statements do you agree with most? . . . . .	107

28 Which of the following statements do you agree with most? . . . . . 111

29 Thinking about shared parental leave, some argue that the current system discourages fathers from taking leave, as they tend to earn a higher income than mothers, making mothers the default parent on leave to keep the family’s earnings as high as possible. Others think it should be down to parents to choose how they split leave between them, regardless of the financial implications for families. With those arguments in mind, which of the following comes closest to your view? . . . . . 115

30 Thinking about how the tax system might be used to help new parents, which of the following statements comes closest to your view? . . . . . 119

31 And if a Government were to provide tax cuts for new parents, do you think these should be at the same rate for all new parents? . . . . . 123

32 Before taking this poll were you aware of the Marriage Allowance? . . . . . 127

33 Thinking about the different taxes the Government could change in the next few years, do you think it is generally a good or bad idea to look at changing this tax to reduce bills for married couples, even if it costs the Treasury money? . . . . . 131

34 You said it was generally a good idea. Which of the following reasons explain why?Select all that apply . . . . . 135

35 You said that it was generally a bad idea. Which of the following reasons explain why?Select all that apply . . . . . 139

36 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should be extended to couples with children who live together, as well as married couples . . . . . 143

37 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply only for couples with children under four . . 147

38 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply for all couples with children under 18 . . . 151

39 To what extend do you agree or disagree with the following? : The boosted Marriage Allowance should apply for couples with elderly caring responsibilities155

40 To the best of your knowledge, how easy or difficult is it for parents to access wraparound childcare at school? . . . . . 159

41 Which of the following comes closest to your view? . . . . . 163

42 If wraparound childcare had to be provided by all schools – and funded by the taxpayer – do you think there should be any conditions on who can access it?Select all that apply . . . . . 167

Data weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

(29.A) Thinking about shared parental leave, some argue that the current system discourages fathers from taking leave, as they tend to earn a higher income than mothers, making mothers the default parent on leave to keep the family’s earnings as high as possible. Others think it should be down to parents to choose how they split leave between them, regardless of the financial implications for families. With those arguments in mind, which of the following comes closest to your view?

	Total	Age						Region											
		18-24	25-34	35-44	45-54	55-64	65+	London	South East	South West	East of England	East Midlands	West Midlands	Yorkshire and the Humber	North East	North West	Scotland	Wales	Northern Ireland
Unweighted	1035	124	179	174	138	186	234	140	140	82	101	76	91	84	43	113	85	53	27
