

Public First Poll for Manchester Universities

Fieldwork: 10th Feb - 22nd Feb 2021
Interview method: Online Survey
Population represented: UK Adults in Greater Manchester
Sample size: 1009

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, and borough to Representative Proportions for Greater Manchester

Public First is a member of the BPC and abides by its rules. For more information please contact Seb Wride (seb@publicfirst.co.uk)

List of Tables

1	How long have you lived in Greater Manchester?	4
2	Why did you first choose to live in Greater Manchester?Select ANY which apply	7
3	How proud are you of living in Greater Manchester, if at all?	10
4	How likely or unlikely do you think you are to move to another city-region or location in the next five years?	13
5	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Cultural attractions (museums, galleries etc)	16
6	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Natural environment	19
7	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Existing businesses	22
8	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Existing workforce	25
9	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Greater Manchester’s universities	28
10	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Quality of public transport	31
11	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Quality of roads	34
12	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Local government	37
13	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Local schools	40
14	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Local sports teams	43
15	How important or unimportant do you think the following are to enhancing the city and region’s economy?Please think only about the economic benefits of the following: Local house prices	46
16	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Cultural attractions (museums, galleries etc)	49
17	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Natural environment	52
18	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Existing businesses	55
19	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Existing workforce	58
20	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Presence of local universities	61
21	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Quality of public transport	64
22	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Quality of roads	67
23	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Local government	70
24	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Local schools	73
25	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Local sports teams	76
26	And how important or unimportant do you think the following are to making Greater Manchester a good place to live?: Local house prices	79

27 Overall, how do you think Greater Manchester’s economy has changed in the last ten years, if at all? 82

28 And how optimistic or pessimistic are you about how it will improve in the next ten years? 85

29 Which do you think are the most important long-term social and economic priorities facing Greater Manchester at this time?Please choose up to three. . . 88

30 Which of the following words do you think best describes the universities overall in Greater Manchester? : Traditional 91

31 Which of the following words do you think best describes the universities overall in Greater Manchester? : Well-known 94

32 Which of the following words do you think best describes the universities overall in Greater Manchester? : Self-interested 97

33 Which of the following words do you think best describes the universities overall in Greater Manchester? : Diverse 100

34 Which of the following words do you think best describes the universities overall in Greater Manchester? : Caring and socially- responsible 103

35 Which of the following words do you think best describes the universities overall in Greater Manchester? : Elitist 106

36 Which of the following words do you think best describes the universities overall in Greater Manchester? : Innovative 109

37 Which of the following words do you think best describes the universities overall in Greater Manchester? : Accessible 112

38 Which of the following words do you think best describes the universities overall in Greater Manchester? : Ethical and transparent 115

39 Which of the following words do you think best describes the universities overall in Greater Manchester? : Practical 118

40 Which of the following words do you think best describes the universities overall in Greater Manchester? : A public space for the community to visit . . . 121

41 Which of the following words do you think best describes the universities overall in Greater Manchester? : A cultural attraction for visitors 124

42 Do you know anybody who has studied or worked at any of the following universities in Greater Manchester?Please select all that apply. 127

43 How likely or unlikely would you be to recommend attending one of the universities in Greater Manchester to a friend or family? 130

44 How proud, if at all, would you say you are of the roles that the local universities play in Greater Manchester? 133

45 Which of the below are the main reason(s) why you did not visit any of the facilities of the universities in Greater Manchester more recently before the pandemic?Please select all that apply 136

46 What benefits do you think local universities bring to Greater Manchester, if any?Please select ALL the options that best apply. If you don’t think there are any benefits in particular from your local university(ies), please select the "Not applicable" option. 139

47 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: Encouraging more students to come to Greater Manchester is good for the region’s economy and culture 142

48 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: Greater Manchester would be a nicer place to live with fewer students 145

49 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The strength and quality of the universities is an important driver of Greater Manchester’s economy 148

50 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The strength and quality of the universities is an important driver of Greater Manchester’s culture 151

51 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The local universities should do more to support Greater Manchester’s economy and culture 154

52 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The universities in Greater Manchester are involved with the local community. 157

53 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The universities in Greater Manchester contribute positively to me and my family/friends. 160

54 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The universities are continuously improving their contribution to communities in Greater Manchester. 163

55 Below are several statements that you may agree or disagree with. Using the scale, indicate your agreement with each item.: The universities in Greater Manchester serve the wider city-region, not just their own students and academics. 166

56 Imagine you had to choose between paying higher taxes, or the universities leaving the city and region. Would you be prepared to pay £5 a year in additional taxes to keep the local universities in your city region? 169

57 Imagine you had to choose between paying higher taxes, or the universities leaving the city and region. Would you be prepared to pay £10 a year in additional taxes to keep the local universities in your city region? 172

58 Imagine you had to choose between paying higher taxes, or the universities leaving the city and region. Would you be prepared to pay £50 a year in additional taxes to keep the local universities in your city region? 175

59 Imagine you had to choose between paying higher taxes, or the universities leaving the city and region. Would you be prepared to pay £100 a year in additional taxes to keep the local universities in your city region? 178

60 Imagine you had to choose between paying higher taxes, or the universities leaving the city and region. Would you be prepared to pay £500 a year in additional taxes to keep the local universities in your city region? 181

61 Now imagine that you had to choose between the universities staying as they are, and the universities leaving the city region and you receiving £5 a year in compensation. Would you be happy for the local universities to leave the city region? 184

62 Now imagine that you had to choose between the universities staying as they are, and the universities leaving the city region and you receiving £10 a year in compensation. Would you be happy for the local universities to leave the city region? 187

63 Now imagine that you had to choose between the universities staying as they are, and the universities leaving the city region and you receiving £50 a year in compensation. Would you be happy for the local universities to leave the city region? 190

64 Now imagine that you had to choose between the universities staying as they are, and the universities leaving the city region and you receiving £100 a year in compensation. Would you be happy for the local universities to leave the city region? 193

65 Now imagine that you had to choose between the universities staying as they are, and the universities leaving the city region and you receiving £500 a year in compensation. Would you be happy for the local universities to leave the city region? 196

66 Which of the following are most important in making Greater Manchester a good place to live? Please select up to three options which you think are most important from the list 199

67 Rank Summary: And how would you rank these from most important to least important in making Greater Manchester a good place to live (Ordered Left to Right by Rank) 202

68 And how would you rank these from most important to least important in making Greater Manchester a good place to live: The professional football clubs in the city region 203

69 And how would you rank these from most important to least important in making Greater Manchester a good place to live: The local universities 206
