

Strategic Vision

2022 - 2025

Our Mission

We are volunteers committed to inclusiveness who work with the community to promote beach safety at Tamarama and beyond.

Our Vision

To be recognised as a leader of surf lifesaving and lifesaving education that has brought together a diverse community of people who love and respect the beach.

Tamarama SLSC Strategic Priorities

1. Indigenous Inclusion

Support Holly Days and identify further opportunities for Indigenous participation and reconciliation

Work with La Perouse Land Council to have appropriate signage on our new clubhouse acknowledging the Traditional Owners

2. Migrant Beach Safety Days

Liaise with external stakeholders across multiple migrant and refugee organisations to continue to raise awareness and educate on the importance of beach safety.

Promote the Bronze Medallion migrant scholarship to encourage more CALD community membership and involvement in SLS

3. Increase the number of women members

Promotion and advancement of women within Tama SLSC and SLS.

Undertake proactive activities to attract more Bronze Medallion enrolments and entice women to join the club.

Our new clubhouse facility

The Club House Building

An education and training centre for surf lifesaving operations and community education programs.

Use of the Clubhouse

- ✓ Surf Life Saving training
- ✓ Member change rooms and facilities
- ✓ Venue Hire / Kiosk operation for financial sustainability of the Surf Club
- ✓ Community Use (priority for a water safety theme)

Background to Strategic Plan

- A member's survey was conducted to get members views on the club's strategy current and proposed changes
- The survey was open for 11 days from 18 June to 29 July 2021
- The survey was promoted by email, Tama Waves newsletter, Tamarama WhatsApp Groups, and Facebook Members Groups
- The 79 people responded to a 22 question survey
- Respondents didn't have to identify themselves but appears to be members, associate members, life members, nipper parents, and lapsed members.
- The survey results are to guide the clubs Mission and Vision review and focus and activities for the next 3 – 5 years.
