Dear Rhys

Please find attached the detailed attendance records for Councillors.

Due to the data integrity issues with the previous versions of this, we don't have accurate records of workshop attendance from 2024 onwards

We do not hold attendance records for Official Council functions.

I have also attached correspondence in relation to Councillors absences or apologies. A small number of these have redacted comments. The information has been withheld under clause 7(2)(a) of the Local Government Official Information and Meetings Act. The redacted information relates to the personal circumstances of the elected member involved and the reason for their apology. The public interest in this information does not outweigh a reasonable expectation that this information is private and not official information.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Subject: lgoima

This is a request for official information under the Local Government Official Information and Meetings Act 1987 in relation to the attendance records of all councillors at New Plymouth District Council meetings.

We request the following information:

- Detailed attendance records for all councillors covering all council meetings, workshops, and official council functions from 1 January 2023 to the present date.
- The number of times each councillor has been recorded as absent or provided apologies, specifying each occasion where the absence was excused or unexcused.
- Any correspondence or documentation regarding the reasons provided for councillors' absences or apologies.

We do not wish to cause unnecessary expense or burden for your agency. Should clarification be required, please call or email. Similarly, if a request proves unnecessarily burdensome in form and we are likely to be able to adjust that request to be more specific or better suited to your information systems without losing the benefit of what is sought, please get in touch. If there is likely to be a delay in the assembly or provision of some of the information requested, please provide the balance as it becomes available.

Please specify where relevant whether costs are inclusive or exclusive of GST.

Where possible, data presented in an Excel format is preferred.

To avoid unnecessary printing and postage costs, we ask that you send a confirmation of receipt, the response, and any other correspondence related to this email address. Please refer to "Councillor Attendance Records" in the subject line.

Best,

Rhys Hurley

‘Morning Julie,

I am an apology for the above work shop. We have two trees down and a big clean up.

Power came on at 9pm last night...24hrs without.....however no real damage and no complaints. Nothing compared to other regions.

I will be at the Inglewood Community Board Meeting this afternoon.

I hope you didn't have too much damage to house and garden. I think New Plymouth got of very lightly,

Thanks,

Marie.

Hi all

The agenda for next week's Extraordinary Meeting has just appeared in Diligent.

The agenda includes two items ... one being initial decisions on the Annual Plan and the other being the public excluded consideration of the Waiwera Place Property Matter.

Annual Plan

It is difficult for staff to calculate the \$\$ and potential implications of left-field amendments on the draft Annual Plan. If you have amendments you're considering moving, please forward these to me ASAP so that the relevant officers are prepared in time for the meeting.

Property Matter

Qingshi Chen will be making a deputation to the Council meeting (in relation to the public excluded item). Chen will be making the deputation in the public section of the meeting (at his request). As the report contains legal information the report is being considered with the public excluded to maintain legal professional privilege.

The purpose of this email is to advise that Chen has not seen a copy of the report and ask you to be mindful of any questions you ask to avoid accidentally waiving the legal privilege and putting the Council at risk in any future proceedings.

Please don't hesitate to contact me if you have any questions on either topic.

Regards

Julie Straka

Hi Team

Harry has advised that due to his calendar not receiving meetings he is an apology for:

- SOC Today
- CCOs tomorrow
- Unavailable for the rest of the week
- Special Projects Committee on 17th April – this may need to be moved.

Please contact Harry re Special Projects.

I have a note to bring up calendars at the team meeting.

Kia ora Julie,

Just firming up plans for baby's arrival in early September.

My plan is to be absent from meetings from the start of September through to when we start back in January (but reserving the right to make cameo appearances for some meetings/items if required!).

I have spoken to Neil and he has said that his view is I don't need to take a formal leave of absence, but just put in apologies for those meetings. My understanding is that's essentially what Anneka did.

Can you advise if that's fine, and if you're able to put in default apologies for meetings from me during that time period?

Also, regarding chairing of FAR, Adrienne has confirmed that she is able to chair the FAR meeting on 10 September, but I need to confirm with her the 10 December meeting. With approvals of Neil's expenses and travel, is it easy to give that delegation to someone else? If not, I can continue to do it, just would be helpful for Lisa to text me when something needs approval.

Thanks,
Amanda
