Dear Honourable Member,

## WE'RE HERE TO HELP

1. In light of recent public comments from a sitting MP alleging waste of taxpayer money by a colleague, I am reaching out to remind you that the *New Zealand Taxpayers' Union* is here to speak up for Kiwi taxpayers.
2. Our mission , *lower taxes, less waste, and more transparency* includes the spending of Parliamentary Services, and Members of Parliament.
3. We know that MPs from across Parliament care about these things too, but unfortunately it is easy to get caught in the party machinery and feel unable to raise concerns. If you're in doubt about whether public spending is wasteful, and perhaps you don't trust your Party Whips (or those overpaid boffins at the Parliamentary Services) we are happy to consult.
4. That's why we have a completely confidential tip line which you can use to pass on information. Sometimes a little sunlight is the best disinfectant.
5. Call us on 04 282 0300 or email [tipline@taxpayers.org.nz](mailto:tipline@taxpayers.org.nz) .

Yours faithfully,  
**New Zealand Taxpayers' Union Inc.**
