## **PREAMBLE**

Pursuant to the provisions of RCW 41.06 and 41.80 this Agreement is made and entered into by the State of Washington, referred to as the "Employer," and Teamsters Local Union No. 117, affiliated with the International Brotherhood of Teamsters referred to as the "Union."

## **ARTICLE 1**

### **RECOGNITION CLAUSE**

- 1.1 This Agreement covers the employees in the bargaining units at the Department of Enterprise Services, specifically, “Non-supervisory Printing and Imaging Services-Bindery,” Decision 11342 and “Non-supervisory Printing and Imaging Services-Litho,” Decision 11341, but it does not cover any statutorily excluded positions.

## **ARTICLE 2**

### **NON-DISCRIMINATION**

- 2.1 Under this Agreement, neither party will discriminate against employees on the basis of religion, age, sex, marital status, race, color, genetic information, creed, national origin, political affiliation, military status, status as a veteran who has received an honorable discharge or been discharged with an honorable record, a disabled veteran or Vietnam era veteran, sexual orientation, gender expression, gender identity, any real or perceived sensory, mental or physical disability, citizenship, immigration status, or union activities. Bona fide occupational qualifications based on the above traits do not violate this Article.
- 2.2 Both parties agree that unlawful harassment will not be tolerated.
- 2.3 Employees who feel they have been the subjects of discrimination are encouraged to discuss such issues with their supervisor or other management staff, or file a complaint in accordance with agency policy. In cases where an employee files both a grievance and an internal complaint regarding the alleged discrimination, the grievance process will be immediately suspended until the internal complaint process has been completed. Following completion of the internal complaint process, the Union may request the grievance process be continued. Such request must be made within fourteen (14) calendar days of the employee and the Union being notified in writing of the findings of the internal complaint.
- 2.4 Both parties agree that nothing in the Agreement will prevent the implementation of an approved affirmative action plan.

## **ARTICLE 3**

### **FILLING OF VACANCIES**

- 3.1 The Employer will determine when a position will be filled, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification that is being filled. If the Employer converts a position which results in it no longer being in the bargaining unit, the Employer will fulfill its obligation to bargain. Only those candidates who have the position-specific skills and abilities required to perform the duties of the vacant position will be referred for further consideration by the employing agency.

- 3.2 An agency's internal layoff list will consist of employees who have elected to place their name on the layoff list through Article 31, Layoff and Recall, of this Agreement and are confined to each individual agency.
- 3.3 The statewide layoff list will consist of employees who have elected to place their name on the statewide layoff list in accordance with WAC 357-46-080.
- 3.4 A promotional candidate is defined as an employee who has completed the probationary period within a permanent appointment and has attained permanent status within the Agency.
- 3.5 A transfer candidate is defined as an employee in permanent status in the same classification as the vacancy within the Agency.
- 3.6 A voluntary demotion candidate is defined as an employee in permanent status moving to a class in a lower salary range maximum within the Agency.
- 3.7 When filling a vacant position with a permanent appointment, candidates will be certified for further consideration in the following manner:
- A. The most senior candidate on the Agency's internal layoff list with the required skills and abilities who has indicated an appropriate geographic availability will be appointed to the position.
  - B. If there are no names on the internal layoff list, the Agency will certify up to twenty (20) candidates for further consideration. Up to seventy-five percent (75%) of those candidates will be statewide layoff, agency promotional, internal transfers, and agency voluntary demotions. All candidates certified must have the position-specific skills and abilities to perform the duties of the position to be filled. If there is a tie for the last position on the certification for either promotional or other candidates, the Agency may consider up to ten (10) additional tied candidates. The Agency may supplement the certification with additional tied candidates and replace other candidates who waive consideration with like candidates from the original pool.
  - C. Employees in the General Government Transition Pool Program who have the skills and abilities to perform the duties of the vacant position may be considered along with all other candidates who have the skills and abilities to perform the duties of the position.
  - D. If the certified candidate pool does not contain at least three (3) affirmative action candidates, the Agency may add up to three (3) affirmative action candidates to the names certified for the position.
  - E. When recruiting for multiple positions, the Agency may add an additional five (5) agency candidates and five (5) other candidates to the certified list for each additional position.

- 3.8 Whenever the Agency needs to hire additional employees within the bargaining unit, the Employer will notify the Union of the vacancy. The notice to the Union will include the necessary work experience for the vacancy. In the event the Agency appoints an employee into a non-permanent appointment, the Agency will provide the Union notice and the reason if the appointment lasts longer than ninety (90) days.

## **ARTICLE 4**

### **HIRING AND APPOINTMENTS**

#### **4.1 Filling Positions**

The Employer will determine when a position will be filled, the recruitment process that will be utilized, the type of appointment to be used when filling the position, and the skills and abilities necessary to perform the duties of the specific position within a job classification. Vacancies will first be offered to employees in the classification by seniority provided they meet the skills and abilities of the position. When recruiting for a permanent bargaining unit appointment, the recruitment announcement will be open for a minimum of seven (7) calendar days.

#### **4.2 Internal Movement – Permanent Employees**

Prior to certifying candidates in accordance with Article 3, Filling of Vacancies, an Appointing Authority may grant an administrative transfer, voluntary demotion or elevation within an agency as long as the permanent employee has the skills and abilities required to perform the duties of the position. Employees desiring a transfer, voluntary demotion or elevation will initiate a request in writing, and Appointing Authorities will consider these individuals for an opening. Candidates interviewed will be notified of the hiring decision.

#### **4.3 Permanent Status**

An employee will attain permanent status in a job classification upon the successful completion of a probationary, trial service or transition review period.

#### **4.4 Types of Appointment**

##### **A. Non-Permanent**

1. The Employer may make non-permanent appointments. A non-permanent appointee must have the skills and abilities required for the position. When the Employer converts a non-permanent appointment to a permanent appointment, the employee will serve a probationary or trial service period.
2. An employee with permanent status may accept a non-permanent appointment. At least fourteen (14) calendar days prior to accepting the appointment, the employee must notify their current Appointing Authority of the intent to accept a non-permanent appointment. Upon notification of the employee's intent, the employee's permanent agency will notify the employee, in writing, of any return rights to the Agency and the duration of those return rights. At a minimum, the Agency must provide the employee access to the Agency's internal layoff list. After receipt of this notification the employee may elect to accept or turn down the appointment offer.

3. The Employer may end a non-permanent appointment at any time by giving one (1) working day's notice to the employee, however if practicable, the Employer may provide more than one (1) working day's notice. Non-permanent appointments will not exceed twelve (12) months except when filling in for the absence of a permanent employee or to reduce the effects of a hiring freeze or anticipated layoff.

B. On-Call Employment

The Employer may fill a position with an on-call appointment where the work is intermittent in nature, is sporadic and it does not fit a particular pattern. The Employer may end on-call employment at any time by giving one (1) day's notice to the employee.

C. In-Training Employment

1. The Employer may designate specific positions, groups of positions, or all positions in a job classification or series as in-training. The Employer will document the training program, including a description and length of the program.
2. A candidate who is initially hired into an in-training position must successfully complete the job requirements of the appointment. The Employer may separate from state service, any employee who has completed the probationary period for an in-training appointment but does not successfully complete the subsequent trial service periods required by the in-training program. Employees who are not successful may be separated at any time with seven (7) working days' notice from the Employer.
3. An employee with permanent status who accepts an in-training appointment will serve a trial service period or periods, depending on the requirements of the in-training program. The Employer may revert an employee who does not successfully complete the trial service period or periods at any time with three (3) working days' notice. The employee's reversion right will be to the job classification that the employee held permanent status in prior to the in-training appointment, in accordance with Subsection 4.5 B of this Article.
4. A trial service period may be required for each level of the in-training appointment, or the entire in-training appointment may be designated as the trial service period. The Employer will determine the length of the trial service period or periods to be served by an employee in an in-training appointment.
5. If a trial service period is required for each level of the in-training appointment, the employee will attain permanent status upon successful completion of the training program at each level.

6. If the entire in-training program—meaning all levels within the in-training appointment—is designated as a trial service period, the employee will attain permanent status upon successful completion of the training requirements for the entire in-training program.
- D. Terminations during probationary periods, non-permanent appointments, or reversions of trial service periods are not subject to the grievance procedure in Article 27, Grievance Procedure.

#### 4.5 Review Periods

A. Probationary Period

1. Every part-time and full-time employee, following the initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months, which may be extended by the Employer for written, performance-based reasons to no more than twelve (12) consecutive months.
2. The Employer may separate a probationary employee at any time during the probationary period, and such separation will not be subject to the grievance procedure in Article 27. The Employer will provide the employee two (2) working days' notice prior to the effective date of the separation. The day that notification is given is considered the first day of notice. If the Employer fails to provide two (2) working days' notice, the separation will stand and the employee will be entitled to payment of salary for up to two (2) working days, which the employee would have worked had notice been given. Under no circumstances will notice deficiencies result in an employee gaining permanent status. The separation of the probationary employee will not be subject to the grievance procedure.
3. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) or hours rounded to equivalent days that the employee is on leave without pay, sick leave or shared leave, except for leave taken for military service or temporary reduction of work hours under Article 31.6.A.
4. An employee who transfers or is promoted prior to completing the initial probationary period will serve a new probationary period. The length of the new probationary period may be adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than as defined in Subsection A.1, above.
5. If the Employer converts the status of a non-permanent appointment to a permanent appointment, the incumbent employee will serve a probationary period. However, the Employer may credit time worked in a non-permanent appointment toward completion of a probationary period within the same job classification.

B. Trial Service Period

1. Except for those employees in an in-training appointment, all other employees with permanent status who are promoted, or who voluntarily accept a transfer or demotion into a job classification for which they have not previously attained permanent status, will serve a trial service period of six (6) consecutive months. The Employer may extend the trial service period to no more than twelve (12) consecutive months, provided the employee is given written, performance based reasons for the extension. The Employer agrees to notify the employee when it intends to extend the trial service period beyond six (6) months. The employee may choose to notify the union.
2. Any employee serving a trial service period will have the trial service period extended, on a day-for-day basis, for any day(s) that the employee is on leave without pay or shared leave, except for leave taken for military service.
3. An employee serving a trial service period may voluntarily revert to their former position within fifteen (15) days of the appointment, provided that the position has not been filled or an offer has not been made to an applicant. With the Appointing Authority's approval, an employee serving a trial service period may voluntarily revert at any time to a funded permanent position in the same agency that is:
  - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification.
  - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

The reversion option, if any, will be determined by the Employer using the order listed above. In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

4. With a minimum three (3) days' written notice by the Employer, an employee who does not successfully complete the trial service period has the right to revert to a position, if available, in the same agency that is:
  - a. Vacant or filled by a non-permanent employee and is within the employee's previously held job classification; or
  - b. Vacant or filled by a non-permanent employee at or below the employee's previous salary range.

In both (a) and (b) above, the Employer will determine the position the employee may revert to and the employee must have the skills and abilities required for the position.

5. Any unsuccessful employee who has no reversion options may request that their name be placed on the Agency's internal layoff list and into the General Government Transition Pool Program for positions in job classifications where they had previously attained permanent status.
6. The reversion of employees who are unsuccessful during their trial service period is not subject to the grievance procedure in Article 27, Grievance Procedure.

### **PERFORMANCE EVALUATION**

#### **5.1 Objective**

The performance evaluation process gives supervisors an opportunity to discuss performance goals and expectations with their employees, assess and review their performance with regard to those goals and expectations, and provide support to employees in their professional development, so that skills and abilities can be aligned with agency requirements. It is the responsibility of the supervisor to complete the employee's evaluation.

- 5.2**
- A. Employee work performance will be evaluated during probationary and trial service periods and at least annually thereafter. Immediate supervisors will meet with employees at the start of their review period to discuss performance goals and expectations. Employees will receive copies of their performance goals and expectations as well as notification of any modifications made during the review period.
  - B. The performance evaluation process will include, but not be limited to, a performance evaluation on forms used by the Employer, the employee's signature or electronic acknowledgment of the forms, and any comments by the employee. A copy of the performance evaluation will be provided to the employee at the time of the review. If the need arises, the reviewer (typically the second line supervisor) may function as a mediator upon the request of either the supervisor or the employee. The employee has the right to submit a written rebuttal to the content of the evaluation. The completed and signed/acknowledged performance evaluation forms, including the employee's comments, will be maintained in the employee's personnel file.
  - C. The evaluation process is subject to the grievance procedure. The specific content of performance evaluations are not subject to the grievance procedure in Article 27, Grievance Procedure.

- E. The holiday for night shift employees whose work schedule begins on one calendar day and ends on the next will be determined by the Agency. It will start either at:
1. The beginning of the scheduled night shift that begins on the holiday; or

- D. Agencies may establish qualifying policies for determining which of the requests for a particular date will or will not be granted when the number of requests for a personal holiday would impair operational necessity. Failure to do so cannot be used as the basis for denial of time off.
- E. Part-time employees who are employed during the month in which the personal holiday is taken will be compensated for the personal holiday in an amount proportionate to the time in pay status during the month to that required for full-time employment.
- F. A personal holiday for full-time employees will be equivalent to their work shift on the day selected for personal holiday absence.

- E. The Agency Head or designee permits the leave to be shared with an eligible employee.
  - F. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee's vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for annual leave balances will be prorated.
  - G. Employees may not donate excess vacation leave that the donor would not be able to take due to an approaching anniversary date.
  - H. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee's sick leave balance to fall below one hundred seventy-six (176) hours after the transfer. For purposes of sick leave donation, a day equals the donor's monthly sick leave accrual.
  - I. The donating employee may donate all or part of a personal holiday. Any portion of a personal holiday that is not used will be returned to the donating employee.
- 13.4** The Agency Head will determine the amount of donated leave an employee may receive and may only authorize an employee to use up to a maximum of five hundred twenty-two (522) days of shared leave during total state employment. The Employer may authorize leave in excess of five hundred twenty-two (522) days in extraordinary circumstances for an employee qualifying for the program because they are suffering from an illness, injury, impairment or physical or mental condition which is of an extraordinary or severe nature. - 13.6 Any donated leave may only be used by the recipient for the purposes specified in this Section.
- 13.7 The receiving employee will be paid their regular rate of pay; therefore, one (1) hour of shared leave may cover more or less than one (1) hour of the recipient's salary. The calculation of the recipient's leave value will be in accordance with Office of Financial Management policies, regulations, and procedures. The dollar value of the leave is converted from the donor to the recipient. The leave received will be coded as shared leave and be maintained separately from all other leave balances.
- 13.8 Any shared leave no longer needed or not needed at any future time in connection with the original injury or illness or for any other qualifying condition by the recipient as determined by the Agency Head or designee will be returned to the donor(s).

The shared leave remaining will be divided among the donors on a prorated basis based on the original donated value and returned at its original donor value and reinstated to each donor's appropriate leave balance. The return will be prorated back based on the donor's original donation.

- 13.9 If an employee has a need to use shared leave due to the same condition listed in the previously approved request, the Agency Head or designee must approve a new shared leave request for the employee.
- 13.10 All donated leave must be given voluntarily. No employee will be coerced, threatened, intimidated, or financially induced into donating leave for purposes of this program.
- 13.11 The Agency will maintain records which contain sufficient information to provide for legislative review.
- 13.12 An employee who uses leave that is transferred under this Section will not be required to repay the value of the leave that they used.

**ARTICLE 14**  
**FAMILY AND MEDICAL LEAVE, PARENTAL LEAVE, PREGNANCY DISABILITY**  
**LEAVE, AND WASHINGTON PAID FAMILY MEDICAL LEAVE**

**14.1**    A.    Consistent with the federal Family and Medical Leave Act of 1993 (FMLA) and any amendments thereto, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred fifty (1,250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) workweeks of Family Medical Leave (FML) in a twelve (12) month period for any one or more of the following reasons 1-5:

1.    Parental leave for the birth and to care for a newborn child, or placement for adoption or foster care of a child and to care for that child;
2.    Personal medical leave due to the employee's own serious health condition that requires the employee's absence from work;
3.    FML to care for a spouse, son, daughter, or parent, who suffers from a serious health condition that requires on-site care or supervision by the employee.
4.    FML for a qualifying exigency when the employee's spouse, state registered domestic partner as defined by RCW 26.60.020 and 26.60.030, child of any age, or parent is on active duty or call to active duty status of the Reserves or National Guard for deployment to a foreign country. Qualifying exigencies include attending certain military events, arranging for alternate childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.
5.    Military Caregiver Leave will be provided to an eligible employee who is the spouse, child of any age, parent or next of kin of a covered service member to take up to twenty-six (26) workweeks of leave in a single twelve (12) month period to care for the covered service member or veteran who is suffering from a serious illness or injury incurred in the line of duty.

During the single twelve (12) month period during which Military Caregiver Leave is taken, the employee may only take a combined total of twenty-six (26) weeks of leave for Military Caregiver Leave and leave taken for the other FMLA qualifying reasons.

The single twelve (12) month period to care for a covered service member begins on the first day the employee takes leave for this reason and ends twelve (12) months later, regardless of the twelve (12) month period established for other types of FMLA leave.

- B. Entitlement to FML for the care of a newborn child or newly adopted or foster child ends twelve (12) months from the date of birth or the placement of the foster or adopted child.
  - C. The one thousand two hundred fifty (1,250) hour eligibility requirement noted above does not count paid time off such as time used as vacation leave, sick leave, exchange time, personal holidays, compensatory time off, or shared leave.
- 14.2** The FML entitlement period will be a rolling twelve (12) month period measured forward from the date an employee begins FML. Each time an employee takes FML during the twelve (12) month period, the leave will be subtracted from the twelve (12) weeks of available leave.
- 14.3** The Employer will continue the employee's existing employer-paid health insurance, life insurance and disability insurance benefits during the period of leave covered by FML. The employee will be required to pay their share of health insurance, life insurance and disability insurance premiums.
- 14.4** The Employer has the authority to designate absences that meet the criteria of FML. The use of any paid or unpaid leave (excluding leave for a work-related illness or injury covered by workers' compensation or assault benefits and compensatory time) for a FML qualifying event will run concurrently with, not in addition to, the use of FML for that event. Any employee using paid leave for a FML qualifying event must follow the notice and certification requirements relating to FML usage in addition to any notice and certification requirements relating to paid leave.
- 14.5** The Employer may require certification from the employee's, the family member's, or the covered service member's health care provider for the purpose of qualifying for FML.
- 14.6** Personal medical leave, serious health condition leave or serious injury or illness leave covered by FML may be taken intermittently when certified as medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the Employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.
- 14.7** Upon returning to work after the employee's own FML -qualifying illness, the employee will be required to provide a fitness for duty certificate from a health care provider. Once the employee provides the fitness for duty certification, the agency will not delay the return to work while the agency seeks clarification and authentication from the employee's health care provider.
- 14.8** The employee will provide the Employer with not less than thirty (30) days' notice before the FML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- 14.9 Parental Leave**
- A. Parental leave will be granted to the employee for the purpose of bonding with their newborn, adoptive or foster child. Parental leave may extend up to six (6) months,

including time covered by the family medical leave, during the first year after the child's birth or placement. Leave beyond the period covered by family medical leave may only be denied by the Employer due to operational necessity. Such denial may be grieved beginning at the Agency Director step of the grievance procedure in Article 27, Grievance Procedure.

- B. Parental leave may be a combination of the employee's accrued vacation leave, sick leave, personal holiday, compensatory time, or leave without pay. Sick leave may only be used for the same time period the employee is approved and using FML leave for baby bonding purposes.

#### **14.10 Pregnancy Disability Leave**

- A. Leave for pregnancy or childbirth related disability is in addition to any leave granted under the FMLA.
- B. Pregnancy disability leave will be granted for the period of time that an employee is sick or temporarily disabled because of pregnancy and/or childbirth. An employee must submit a written request for disability leave due to pregnancy and/or childbirth in accordance with agency policy. An employee may be required to submit medical certification or verification for the period of the disability. Such leave due to pregnancy and/or childbirth may be a combination of sick leave, vacation leave, personal holiday, compensatory time, exchange time and leave without pay. The combination and use of paid and unpaid leave will be the choice of the employee.

**14.11** The parties recognize that the Department of Labor is working on further defining the recent amendments to the FMLA. The Employer and employees will comply with existing and any newly developed federal FMLA regulations, interpretations and/or definitions.

#### **14.12 Washington Paid Family Medical Leave Program**

- A. The parties recognize that the Washington Family and Medical Leave Program (RCW 50A) is in effect beginning January 1, 2020 and eligibility for and approval of leave for purposes as described under that Program shall be in accordance with RCW 50A. In the event the legislature amends all or part of RCW 50A, those amendments are considered by the the parties to be incorporated herein. In the event the legislature repeals all or part of RCW 50A, those provisions that are repealed are considered by the parties to be expired and no longer in effect upon the effective date of their repeal.
- B. The employee will provide the Employer with not less than thirty (30) days' notice before PFML is to begin. If the need for the leave is unforeseeable thirty (30) days in advance, then the employee will provide such notice as is reasonable and practicable.
- C. The employee may use sick leave, personal holiday, compensatory time, or vacation leave as a supplemental benefit while receiving a partial wage replacement for paid family and/or medical leave under the Washington State Paid Family and

Medical Leave Insurance Program, Title 50A RCW. The employer may require verification that the employee has been approved to receive benefits for paid family and/or medical leave under Title 50A RCW before approving leave as a supplemental benefit.

**ARTICLE 15**  
**SEVERE INCLEMENT WEATHER,**  
**NATURAL DISASTER LEAVE AND EMERGENCY CLOSURES LEAVE**

- 15.1** If the Employer decides that a state office or work location is non-operational due to severe inclement weather, natural disaster or emergency closures, the following will apply:

  - B. Non-emergency (or emergency, if applicable) employees may be reassigned to similar positions at locations within a reasonable driving distance from the non-operational location during the disruption of services.
  - C. If affected state offices or work locations are reasonably believed to be temporarily non-operational, employees will be allowed to utilize accrued leave for up to four (4) weeks. The employee's leave will be charged in the following order:
    - 1. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
    - 2. Any accrued vacation leave;
    - 3. Accrued sick leave, up to a maximum of three (3) days in any calendar year;
    - 4. Leave without pay.
  - D. At the discretion of the Employer, if, after four (4) weeks, the state office or work location is still non-operational, non-emergency employees may be subject to a temporary reduction of work hours or temporary layoff consistent with Section 31.5 of Article 31, Layoff and Recall, of this Agreement.
- 15.2** If a work location remains fully operational but an employee is unable to report to work, remain at work due to conditions caused by severe inclement weather, natural disaster or other emergency circumstances, the employee's leave will be charged in the following order:
- A. Any earned compensatory time, or exchange time unless this would result in the loss of their vacation leave;
  - B. Any accrued vacation leave;

- C. Any accrued sick leave, up to a maximum of three (3) days in any calendar year; then
- D. Leave without pay

Although the types of paid leave will be used in the order listed above, and each type of paid leave will be exhausted before the next is used, employees will be permitted to use leave without pay rather than vacation or sick leave at their request.

- 15.3** Employees who report to work late due to conditions caused by severe inclement weather, natural disaster or other emergency circumstances will be allowed up to one (1) hour of paid time. The State may grant additional paid time if deemed reasonable under extraordinary circumstances. Section 16.2, Jury Duty, will apply to any additional late time.

If selected to be on a jury, employee-requested schedule changes will be approved, to accommodate jury duty service. If employees are released from jury duty and there are more than two (2) hours remaining on their work shift, they may be required to return to work.

- 16.3** A subpoenaed employee will receive paid leave, during scheduled work time, to appear as a witness in a court or an administrative hearing for work-related cases, unless they:

  - 1. The employee has given at least fourteen (14) calendar days' written notice to their supervisor. However, the supervisor has the discretion to allow a shorter notice period.
  - 2. The number of employees selecting a particular day off does not prevent the Agency from providing continued public service.

3. The employee's use of such a leave day does not require the Employer to incur any costs, such as backfilling for a position with overtime.
- C. Personal leave may not be carried over.
  - D. Part-time and on-call employees who are employed during the month in which the personal leave day is taken will be compensated for the personal leave day in an amount proportionate to the time in pay status during the month to that required for full-time employment.

- A. The Employer will provide a work environment in accordance with safety standards established by the Washington Industrial Safety and Health Act (WISHA). It is agreed that the WISHA regulations now and hereafter amended will continue to be complied with by both parties.
- B. Employees will comply with all safety and health practices and standards established by the Employer and will report unsafe working conditions immediately. The Employer will investigate reported unsafe working conditions and take appropriate action.
- C. Employees will contribute to a healthy workplace, including not knowingly exposing co-workers and the public to conditions that would jeopardize their health or the health of others. The Employer may direct employees to use leave in accordance with Article 12, Sick Leave, when employees self-report a contagious health condition.
- D. The Union will work cooperatively with the Employer on safety and health related matters and encourage employees to work in a safe manner.

**18.2** The Employer will determine and provide the required safety devices, personal protective equipment and apparel, and training necessary for employees to perform their job.

**18.3** Each agency will form joint safety committees in accordance with WISHA requirements at each permanent work location where there are eleven (11) or more employees.

- 18.4** Safety committees will consist of employees selected by the Union and Employer-selected members. The number of employees selected by the Union must equal or exceed the number of Employer-selected members. The number of Union-designated employee representatives on the committee(s) will be proportionate to the number of employees represented by the Union at the permanent work location. Meetings will be conducted in accordance with WAC 296-800-13020. Committee recommendations will be forwarded to the appropriate Appointing Authority for review and action, as necessary. The Appointing Authority or designee will report follow-up action/information to the Safety Committee.
- 18.5 Ergonomic Assessments**  
At the request of the employee, the Employer will ensure that an ergonomic assessment of the employee's workstation is completed. Solutions to identified issues will be implemented within available resources.

Air quality concerns brought to the Safety Committee will be evaluated and processed in accordance with Article 18.6.

## **ARTICLE 19**

- 19.2 Tools and Equipment**  
As established by current practices, the Employer may determine and provide necessary tools, tool allowance, equipment and foul weather gear. The Employer will repair or replace employer-provided tools and equipment if damaged or worn out beyond usefulness in the normal course of business. Employees are accountable for equipment and/or tools assigned to them and will maintain them in a clean and serviceable condition. Employees who misuse, vandalize, lose or damage state property may be subject to disciplinary action. Employees will be required to return all tools, equipment and foul weather gear upon separation from employment.
- 19.3 Acquisition of New Equipment in DES Printing Plant**  
Management maintains its right to determine the methods, means, and kinds of work and equipment to perform its production and provide customer service.

A New Equipment Committee is established consisting of two (2) persons mutually selected by the local Union and Management; and two (2) persons mutually selected by the Director of DES or their designee. This Committee shall evaluate all questions related to introducing new equipment or creating significant changes in present equipment and manual tasks raised by the Union. The Committee will make a recommendation to Management within ten (10) full business days after the question has been presented to the Committee.

The Employer agrees to provide sixty (60) days notice to the Union that it will be changing equipment. Management will consider feedback provided but retains the full authority to make the final decision. When practicable, staff will be retrained, trained, or given reasonable time to adapt to a new work process or equipment, evolved equipment, or operation and maintenance of such equipment.

**19.4 Taxability**

The Employer will comply with applicable IRS regulations regarding taxing of Employer provided items.

**ARTICLE 20**  
**DRUG AND ALCOHOL FREE WORKPLACE**

**20.1** All employees must report to work in a condition fit to perform their assigned duties unimpaired by alcohol or drugs.

**20.2 Possession of Alcohol and Illegal Drugs**

A. Employees may not use or possess alcohol in state vehicles, on agency premises, or other governmental or private worksites where employees are assigned to conduct official state business except when:

1. The premises are considered residences; or
2. The premises or state vehicles are used for the transportation, purchase, distribution and sale of alcohol pursuant to state law.

B. The use or possession of marijuana by an employee is prohibited in state vehicles, on agency premises, or other governmental or private worksites where employees are assigned to conduct official state business.

C. The unlawful use, possession, delivery, dispensation, distribution, manufacture or sale of drugs, including marijuana, in state vehicles, on agency premises, or on official business is prohibited.

**20.3 Prescription, Medical Marijuana, and Over-the-Counter Medications**

Employees taking physician-prescribed or over-the-counter medications, including medical marijuana, must notify their supervisor or other designated official of the fact that they are taking a medication and side effects of the medication if there is a substantial likelihood that such medication will affect job safety.

**20.4 Drug and Alcohol Testing – Safety Sensitive Functions**

A. Employees required to have a Commercial Driver's License (CDL) or to be tested by the United States Coast Guard (USCG), are subject to pre-employment, post-accident, random and reasonable suspicion testing in accordance with the U.S. Department of Transportation Rules, Coast Guard Regulations (46 CFR Part 16) or the Federal Omnibus Transportation Employee Testing Act of 1991. The testing will be conducted in accordance with current agency policy.

- B. In addition, employees who perform other safety-sensitive functions are subject to pre-employment, post-accident and reasonable suspicion testing in accordance with agency policy.

1. For employees who perform safety-sensitive functions, a post-accident drug and alcohol test may be conducted when a work-related incident has occurred involving death, serious bodily injury or significant property/environmental damage, or the potential for death, serious injury, or significant property/environmental damage, and when the employee's action(s) or inaction(s) either contributed to the incident or cannot be completely discounted as a contributing factor.

## **20.5 Voluntary Request for Assistance**

- A. An employee who requests assistance for a drug or alcohol problem will be afforded an opportunity to seek assistance from the Employee Assistance Program (EAP) or other Agency-recognized assistance program. If the assistance is requested prior to the employee providing a sample pursuant to testing, the employee will not be subject to discharge, unless other circumstances warrant such action.
- B. Assessment and Treatment  
The employee will be relieved from duty and placed on sick leave, or leave without pay pending completion of any initial chemical dependency assessment and successful completion of any in-patient chemical dependency rehabilitation program certified by the Department of Social and Health Services, Division of Behavioral Health and Recovery (DBHR). If the assessment results in a recommendation for an out-patient treatment program, the employee will enter a return to work agreement before being allowed to return to work. An employee will be discharged if they refuse to participate in or successfully complete any DBHR certified program.
- C. Return to Work  
Upon return to work after entering an out-patient program or successfully completing an in-patient rehabilitation program, the employee will be subject to random testing for a period of one (1) year. If the employee tests positive for drugs/alcohol during this period the employee will be terminated.
- D. Release of Information  
Employees participating in such treatment will agree to provide the Employer with a release of medical information sufficient to ensure the employee's compliance with the requirements of the rehabilitation program.

## **20.6 Reasonable Suspicion Testing**

- A. Reasonable suspicion testing for alcohol, marijuana or controlled substances may be directed by the Employer for any employee when there is reason to suspect that alcohol, marijuana or controlled substance usage may be adversely affecting the employee's job performance or that the employee may present a danger to the

physical safety of the employee or others. Specific objective grounds must be stated in writing that support the reasonable suspicion.

**B. Referral**

Referral for testing will be made on the basis of specific written objective grounds documented by a supervisor who has completed the training on detecting the signs/symptoms of being affected by controlled substances/alcohol.

**C. Testing**

1. When reasonable suspicion exists, employees must submit to alcohol, marijuana, and/or controlled substance testing when required by the Employer. A refusal to test is considered the same as a positive test. When an employee is referred for testing, the employee will be removed immediately from duty and transported to the collection site. The cost of reasonable suspicion testing, including the employee's salary will be paid by the Employer.
2. Testing will be conducted in such a way to ensure maximum accuracy and reliability by using the techniques, chain of custody procedures, equipment and laboratory facilities, which have been approved by the U.S. Department of Health and Human Services. All employees notified of a positive controlled substance, marijuana or alcohol test result may request an independent test of their split sample at the employee's expense. If the test result is negative, the Employer will reimburse the employee for the cost of the split sample test.
3. An employee who has a positive alcohol, marijuana, and/or controlled substance test may be subject to disciplinary action, up to and including discharge based on the incident that prompted the testing.

**20.7 Training**

Training will be made available to managers, supervisors and lead-workers. Each Union may designate one (1) union steward or representative to attend training and provide training materials to the Union. Any additional requests for training will need Appointing Authority approval. The training will include:

- A. The elements of the Employer's Drug and Alcohol Free Workplace Program;
- B. The effects of drugs and alcohol in the workplace;
- C. Behavioral symptoms of being affected by alcohol, marijuana, and/or controlled substances; and
- D. Rehabilitation services available.

**20.8 Rehabilitation**

The Employer may use the results of the drug and alcohol test to require the employee to successfully complete a rehabilitation plan.

## **ARTICLE 21**

### **TRAVEL**

- 21.1** Employees will be reimbursed for any authorized travel expenses (e.g. mileage, lodging and/or per diem), in accordance with the regulations established by the Office of Financial Management and agency policy. When determining whether or not a hotel stay for an employee who will be in travel status is warranted, the Agency will take into consideration the health and safety of the employee traveling. This may include consideration of hazardous inclement weather, extraordinary number of hours worked, the nature of the work required, and/or other travel-related circumstances which could threaten the safety of the employee.
- 21.2** Employees shall be notified upon hire of the necessity to use their personal vehicle for state business, if such use is on a regular/frequent basis. The Employer agrees to compensate employees in accordance with OFM regulations for the use of their personal vehicle when authorized in advance by the Appointing Authority or a designee. Employees shall not be required to ride in another employee's personal vehicle.
- 21.3** Employees with permanently assigned vehicles may be permitted to park the vehicle at their home provided all necessary documentation has been reviewed and approved by the Employer and in accordance with the OFM regulations.

## **ARTICLE 22**

### **UNIFORMED SERVICE SHARED LEAVE POOL**

- 22.1 Purpose**  
The uniformed service shared leave pool allows state employees to donate leave to be used as shared leave to fellow state employees called to service in the uniformed services. Employee participation will be voluntary at all times. The Military Department and OFM administer the pool.
- 22.2 Definitions**  
For purposes of this Article only, the following definitions apply:
- A. "Employee" means any employee who is entitled to accrue sick leave or vacation leave and for whom accurate leave records are maintained.
  - B. "Military salary" includes base, specialty and other pay, but does not include allowances like the basic allowance for housing.
  - C. "Monthly salary" includes monthly salary, special pay and shift differential, or the monthly equivalent for hourly employees. "Monthly salary" does not include overtime pay, callback pay, standby pay or performance bonuses.
  - D. "Service in the uniformed services" means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty

training, full-time national guard duty including state-ordered active duty, and a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform any such duty.

- E. “Uniformed services” means the armed forces, the army national guard, and the air national guard of any state, territory, commonwealth, possession, or district when engaged in active duty for training, inactive duty for training, full-time national guard duty, or state active duty, the commissioned corps of the public health service, the coast guard and any other category of persons designated by the president of the United States in time of war or national emergency.

### **22.3 Participation**

- A. An employee may be eligible to receive leave from the uniformed service shared leave pool under the following conditions:
1. The employee is entitled to accrue vacation leave, sick leave, or a personal holiday.
  2. The employee has been called to service in the uniformed services.
  3. The call to service has caused, or is likely to cause, the employee to go on leave without pay status or terminate state employment.
  4. The employee’s absence and the use of shared leave are justified.
  5. The employee has depleted or will shortly deplete their vacation leave and paid military leave allowed under RCW 38.40.060.
  6. The employee has followed Agency rules regarding military leave.
- B. An employee may donate vacation leave, sick leave, or all or part of a personal holiday to the uniformed service shared leave pool under the following conditions:
1. The donating employee may donate any amount of vacation leave, provided the donation does not cause the employee’s vacation leave balance to fall below eighty (80) hours. For part-time employees, requirements for vacation leave balances will be prorated.
  2. The donating employee may donate any specified amount of sick leave, provided the donation does not cause the employee’s sick leave balance to fall below one hundred seventy-six (176) hours after the transfer.
  3. The donating employee may donate all or part of a personal holiday.

### **22.4 Process**

- A. Employees requesting to donate to or receive leave from the uniformed service shared leave pool must follow their agency policies and procedures addressing uniformed service shared leave.

- B. Employees requesting to receive leave from the uniformed service shared leave pool must also comply with Military Department procedures for requesting and receiving leave from the uniformed service shared leave pool. Employees requesting leave from the uniformed service shared leave pool should provide to their Agency Head or designee an earnings statement verifying military salary and orders of service, most current state leave and earnings statement, a completed uniformed service shared leave pool recipient request form, and notification of any change. The employee must also provide copies of earnings statements and orders of service when requested by the Military Department.
- C. Shared leave may not be granted unless the pool has a sufficient balance to fund the requested leave for the expected term of service.
- D. Shared leave, in combination with military salary, will not exceed the level of the employee's state monthly salary. Up to eight (8) hours per month of shared leave may be withdrawn and used to continue coverage under the Public Employees' Benefit Board (PEBB), regardless of the employee's monthly salary and military salary.
- E. The receiving employee continues to be classified as a state employee and receives the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued vacation or sick leave.
- F. Agencies will investigate any alleged abuse of the uniformed service shared leave pool. If there is a finding of wrongdoing the employee may be required to repay all of the shared leave received from the pool.

**22.5** This article is not subject to the grievance procedure.

## **ARTICLE 23**

### **OFF-DUTY CONDUCT**

- 23.1** The off-duty activities of an employee will not be grounds for disciplinary action unless said activities are a conflict of interest as set forth in state law or are detrimental to the employee's work performance or the program of the Agency.
- 23.2 All Employees**  
Employees will report all arrests and any court-imposed sanctions or conditions that would prevent or negatively affect their ability to perform assigned duties to their Appointing Authority or designee within twenty-four (24) hours or prior to their scheduled work shift or work period, whichever occurs first.
- 23.3** Employees will notify the Employer prior to engaging in any off-duty employment. Employees may engage in off-duty employment that is in accordance with agency/program policy and will not interfere with the performance of their duties or result in a conflict of interest.

## **ARTICLE 24**

### **COMMUTE TRIP REDUCTION AND PARKING**

- 24.1** The Employer will continue to encourage but not require employees covered by this Agreement to use alternate means of transportation to commute to and from work in order to reduce traffic congestion, improve air quality and reduce the need for parking.
- 24.2** Agencies may provide commute trip reduction incentives consistent with agency policies and within available resources.
- 24.3** During the term of this Agreement, agency-administered parking rates charged to employees who work at facilities located off the Capital Campus will not be increased from the facility parking rates in existence as of June 30, 2009.
- 24.4** The Appointing Authority or designee may approve modified schedules which further trip reduction goals.

## **ARTICLE 25**

### **DEFENSE AND INDEMNIFICATION**

**25.1 Employee Liability**

In the event an employee becomes a defendant in a civil liability suit arising out of actions taken or not taken in the course of their employment for the state, the employee has the right to request representation and indemnification through their agency in accordance with RCW 4.92.060 and 070 and Agency policy.

## **ARTICLE 26**

### **DISCIPLINE**

**26.1 Just Cause**

The Employer will not discipline any permanent employee without just cause.

**26.2 Employee Privacy**

When disciplining an employee, the Employer will make a reasonable effort to protect the privacy of the employee.

**26.3 Forms of Discipline**

Discipline includes oral and written reprimands, reduction in pay, suspension, demotion, and discharge.

**26.4 Investigative Process**

- A. The Employer has the authority to determine the method and develop appropriate guidelines for conducting investigations and notify the Union of those guidelines.
- B. Upon written request of the Union, if an investigation lasts longer than sixty (60) days from the date the employee was notified of the investigation, the Employer will notify the Union of the current status of the investigation (for example:

interviews pending, drafting of investigative report, waiting for analysis of data), next steps and anticipated timeframe for completion. The Employer will provide its response to the Union's request for the current status of the investigation at least ten (10) days from the date of request by the union. However, in the event the Employer does not respond to the Union's request for a status of the investigation within ten (10) days, the failure to meet this timeframe will not be a basis for challenging the disciplinary action or precluding admissibility of evidence.

- C. At the conclusion of any investigation where the Employer elects not to take disciplinary action, the employee will be provided with a notification when the investigation is completed and that no discipline will be imposed.

## **26.5 Investigatory Interviews**

- A. The Employer will notify the employee in advance of an investigatory interview and the nature of the interview.
- B. Upon request, an employee has the right to a union representative at an investigatory interview called by the Employer, if the employee reasonably believes discipline could result. An employee may also have a Union representative at a pre-disciplinary meeting. If the requested representative is not reasonably available, the employee will select another representative who is available. Employees seeking representation are responsible for contacting their representative. The role of the representative is to provide assistance and counsel to the employee, rather than serve as an adversary to the investigator. The exercise of rights in this Article must not interfere with the Employer's right to conduct the investigation.
- C. Employees have a duty to cooperate with an Agency investigation. Employees retain the rights afforded to them by the Constitution of the United States and the State of Washington, as well as all of the protections of the statutes of Washington and this collective bargaining agreement.
- D. The Employer will allow a reasonable break for an employee participating in an investigatory interview.

## **26.6 Alternative Assignments**

An employee placed on an alternate assignment during an investigation will be informed of the general reason(s) for the alternative assignment, unless it would compromise the integrity of the investigation, and will not be prohibited from contacting their Union representative unless there is a conflict of interest, in which case the employee may contact another union representative. This does not preclude the Employer from restricting an employee's access to Agency premises. Upon completion of the investigation process(es), the employee will be notified.

## **26.7 Pre-Disciplinary Meetings**

Prior to imposing discipline, except oral or written reprimands, the Employer will inform the employee and the Union of the reasons for the contemplated discipline and an

explanation of the evidence and copies of written documents relied upon to take the action. The employee will be provided an opportunity to respond in writing or in person.

**26.8 Notice Prior to Reduction in Pay or Demotion**

The Employer will provide an employee with fifteen (15) calendar days' written notice prior to the effective date of the reduction in pay or demotion.

**26.9 Ability to Grieve Specific Discipline**

The Employer has the authority to impose discipline, which is then subject to the grievance procedure set forth in Article 27, Grievance Procedure. Oral reprimands, however, may only be processed through the Agency Head step of the grievance procedure.

**26.10 Copy of Disciplinary Action Provided to Union**

Copies of disciplinary actions, except for oral reprimands, will be sent to the Union at the time it is given to the employee.

## **ARTICLE 27**

### **GRIEVANCE PROCEDURE**

**27.1** The purpose of this Article is to provide for an orderly method of resolving disputes over the provisions of this Agreement. Whenever possible, disputes should be resolved informally, at the lowest level. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

**27.2 Terms and Requirements**

A. Grievance Definition

A grievance is an allegation by an employee or a group of employees that there has been an act that violates this Agreement which occurred during the term of this Agreement. The term "grievant" as used in this Article includes the term "grievants."

B. Filing a Grievance

Grievances may be filed by the Union on behalf of an employee or on behalf of a group of employees. If the Union does so, it will set forth the name of the employee or the names of the group of employees.

C. Computation of Time

Days are calendar days, and will be counted by excluding the first day and including the last day of timelines. When the last day falls on a Saturday, Sunday or holiday, the last day will be the next day which is not a Saturday, Sunday or holiday. Transmittal of grievances, appeals and responses will be in writing, and timelines will apply to the date of receipt, not the date of postmarking.

D. Failure to Meet Timelines

The time limits in this Article must be strictly adhered to unless mutually modified in writing. Failure by the Union to comply with the timelines will result in the automatic withdrawal of the grievance. Failure by the Employer to comply with the

timelines will entitle the Union to move the grievance to the next step of the procedure.

E. Contents

The written grievance must include the following information:

1. The nature of the grievance;
2. All pertinent facts or issues, including date of occurrence, upon which the grievance is based;
3. The specific article and section of the Agreement violated;
4. The specific remedy requested; and
5. The name and signature of the grievant(s) or the Union representative.

F. Modifications

No newly alleged violations may be made after the initial written grievance is filed, except by written mutual agreement.

G. Resolution

If the Employer provides the requested remedy or a mutually agreed-upon alternative, the grievance will be considered resolved and may not be moved to the next step.

H. Withdrawal

A grievance may be withdrawn at any time.

I. Resubmission

If terminated, resolved or withdrawn, a grievance cannot be resubmitted.

J. Pay

Grievants will not lose pay for attending grievance meetings or arbitration hearings held during their work time. Grievants will not be paid for meetings held during their off-duty time.

K. Consolidation

The Employer may consolidate grievances arising out of the same set of facts.

L. Bypass

Any of the steps in this procedure may be bypassed with mutual written consent of the parties involved at the time the bypass is sought.

M. Discipline

Disciplinary grievances will be initiated at the level at which the disputed action was taken.

## 27.3 Filing and Processing

### A. Filing

A grievance must be filed within twenty-one (21) days of the occurrence giving rise to the grievance, or the date the grievant knew or could reasonably have known of the occurrence.

The employee may first discuss the issue with the immediate supervisor in an attempt to informally resolve the issue. The employee may elect to have a union representative or union steward present.

Even when informal discussions occur, the written grievance must be filed no later than the twenty-one (21) days described above.

### B. Alternative Resolution Methods

Any time during the grievance process, by mutual consent, the parties may use alternative methods to resolve the dispute. If the parties agree to use alternative methods, the time frames in this Article are suspended. If the selected alternative method does not result in a resolution, the Union may return to the grievance process and the time frames resume. Any expenses and fees of alternative methods will be shared equally by the parties.

### C. Processing

#### **Step 1: Appointing Authority or Designee:**

If the issue is not resolved informally, the Union may file a written grievance with the employee's supervisor or designee with a copy to the Human Resources Office, within the twenty-one (21) day period described above. The Employer will designate a responsible supervisor, manager or designee who will, upon agreement of the parties, meet or confer by telephone with a Union steward and/or staff representative and the grievant within twenty-one (21) days of receipt of the grievance, and will respond in writing to the Union within fifteen (15) days after the meeting. If the parties cannot agree on the meeting process, the Union may move the grievance to Step 2 of the grievance procedure.

#### **Step 2: Agency Head or Designee:**

If the grievance is not resolved at Step 1, the Union may move it to Step 2 by filing the written grievance with the Agency Head, with a copy to the Human Resources Office, within fifteen (15) days of the Union's receipt of the Step 1 decision. Upon agreement of the parties, the Agency Head or designee will meet or confer by telephone with a Union steward and/or staff representative and the grievant within fifteen (15) days of receipt of the Step 1 decision. Management will provide a written response to the Union within fifteen (15) days after the meeting and if the remedies are denied the response will include an explanation.

#### **Step 3: Mediation of Pre-Arbitration Review Meeting:**

If the grievance is not resolved at Step 2, the Union may either file a request for mediation with Public Employment Relations Commission (PERC) or file a demand for arbitration with a copy of the grievance and all responses attached.

A. Request for Mediation

The Union may choose to file a request for mediation with PERC in accordance with WAC 391-55-020, with a copy to the OFM State Human Resources Labor Relations Section (LRS) and the agency's Human Resources Office within fifteen (15) days of receipt of the Step 2 decision.

B. Request for Pre-Arbitration Review Meeting (PARM)

As an alternative to requesting mediation, the Union may request a PARM. The PARM shall be filed with the Assistant Director of the LRS and the Agency's Human Resource Office within fifteen (15) days of the Union's receipt of the Step 2 decision. Within fifteen (15) days of the receipt of the arbitration demand, the LRS will either:

1. Schedule a pre-arbitration review meeting with the LRS Assistant Director or designee, an Agency representative, and the Union's representative to review and attempt to settle the dispute. If the matter is not resolved in this pre-arbitration review, within fifteen (15) days of the meeting, the Union may file a demand to arbitrate the dispute with the American Arbitration Association (AAA), Federal Mediation and Conciliation Service (FMCS), or through a mutually agreed upon list of arbitrators or,
2. Notify the Union in writing that no pre-arbitration review meeting will be scheduled. Within fifteen (15) days of receipt of this notice, the Union may file a demand to arbitrate the matter with the AAA, FMCS, or through a mutually agreed upon list of arbitrators.

**Step 4: Arbitration: Filing Demand to Arbitrate**

If the grievance is not resolved at Step 3, the Union may file a request for arbitration. The demand to arbitrate the dispute must be filed with the appropriate organization within fifteen (15) days of the mediation session or PARM.

C. Selecting an Arbitrator

The parties will select an arbitrator by mutual agreement or by alternately striking names from the list of arbitrators, and will follow the Labor Arbitration Rules of the AAA unless they agree otherwise in writing.

D. Authority of the Arbitrator

1. The arbitrator will:
  - a. Have no authority to add to, subtract from, or modify any of the provisions of this Agreement;
  - b. Be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it;
  - c. Not make any decision that would result in the violation of this Agreement;

2. The arbitrator will hear arguments on and decide issues of arbitrability before the first day of arbitration at a time convenient for the parties, immediately prior to hearing the case on its merits, or as part of the entire hearing and decision-making process. If the issue of arbitrability is argued prior to the first day of arbitration, it may be argued in writing or by telephone, at the discretion of the arbitrator. Although the decision may be made orally, it will be put in writing and provided to the parties.
3. The decision of the arbitrator will be final and binding upon the Union, the Employer and the grievant.

E. Arbitration Costs

1. The expenses and fees of the arbitrator, and the cost (if any) of the hearing room will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator, free of charge. If the other party desires a copy of the transcript, it will pay for one-half (1/2) of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for the costs of its attorneys, representatives, witnesses, travel expenses and any fees. Grievants will be paid for participation in arbitration hearings and may use leave for preparation for and travel to or from arbitration hearings.

**27.4 Election of Remedies**

Pursuit of a claim before the Equal Employment Opportunity Commission (EEOC), the Human Rights Commission (HRC), or in a judicial or other forum constitutes a waiver of the right to pursue the same claim through arbitration under this Article.

## **ARTICLE 28**

### **PERSONNEL FILES**

- 28.1** There will be one (1) official personnel file maintained by the Employer for each employee. Additional employee files may include supervisory, attendance, payroll and medical files. The location of personnel files will be determined by the Agency. Medical files will be kept separate and confidential in accordance with state and federal law. An employee will have the right to examine their own personnel file. Written authorization from the employee is required before any representative of the employee will be granted access to the personnel file. The employee and/or representative may not remove any contents; however, an employee may provide a written rebuttal to any information in the file that the

employee considers objectionable. The Employer may charge a reasonable fee for copying any materials beyond the first copy requested by the employee or their representative.

**28.2** When documents in an employee's personnel, payroll, supervisory, or training file are the subject of a public disclosure request, the Employer will provide the employee a copy of the request at least fourteen (14) calendar days in advance of the intended release date. Upon receipt of any court order or subpoena seeking documents from an employee's personnel file, the Employer will provide the employee with a copy of the order or subpoena at least fourteen (14) calendar days in advance of the intended release date or within a lesser timeframe if directed by the court order or subpoena.

**28.3** Adverse material or information related to alleged misconduct that is not proven to be true, and all such information in situations where the employee has been fully exonerated of wrongdoing, will be promptly removed from the official personnel file.

**28.4** Prior to any document that may be deemed derogatory to the employee being placed into the employee's personnel file, the employee will be provided a copy.

**28.5 Removal of Documents**

A. Written reprimands and their related documentation will be removed from an employee's personnel file after two (2) years if:

1. Circumstances do not warrant a longer retention period, such as sexual harassment or criminal conduct; and
2. There has been no subsequent discipline; and
3. The employee submits a written request for its removal.

B. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, and written reprimands not removed after two (2) years, will be removed after five (5) years if:

1. Circumstances do not warrant a longer retention period, such as sexual harassment, or criminal conduct; and
2. There has been no subsequent discipline; and
3. The employee submits a written request for its removal.

C. Nothing in this Section will prevent the Employer and employee from agreeing to an earlier removal date, unless to do so would violate RCW 41.06.450.

D. Any disciplinary actions removed from an employee's personnel file may not be considered for progressive purposes.

## **28.6 Supervisory Files**

Supervisory files will be purged of the previous year's job performance information following the completion of the annual performance evaluation, unless circumstances warrant otherwise. If circumstances warrant retention of a document past an annual performance evaluation, it shall be purged upon the next annual performance evaluation. Employees retain a right to review their supervisory file.

## **ARTICLE 29 REASONABLE ACCOMMODATION AND DISABILITY SEPARATION**

- 29.1** The Employer and the Union will comply with all relevant federal and state laws, regulations and executive orders providing reasonable accommodations to qualified individuals with disabilities.
- 29.2** An employee who believes that they suffer a disability and require a reasonable accommodation to perform the essential functions of their position may request such an accommodation by submitting a request to the Agency.
- 29.3** Employees requesting accommodation must cooperate with the Agency in discussing the need for, and possible form of, any accommodation. The Agency may require supporting medical documentation and may require the employee to obtain a second medical opinion at agency expense. Medical information disclosed to the Agency will be kept confidential.
- 29.4** The Agency will determine whether an employee is eligible for a reasonable accommodation and the final form of any accommodation to be provided.
- 29.5** An employee with permanent status may be separated from service when the Agency determines that the employee is unable to perform the essential functions of the employee's position due to a mental, sensory, or physical disability, which cannot be reasonably accommodated. Determinations of disability may be made by the Agency based on an employee's written request for disability separation or after obtaining a written statement from a physician or licensed mental health professional. The Agency must make a disability determination within a reasonable amount of time after the submittal of this paperwork. The Agency can require an employee to obtain an independent medical examination at the Agency's expense, including paid time, from a physician or licensed mental health professional of the Agency's choice. Evidence may be requested from the physician or licensed mental health professional regarding the employee's limitations.

An employee may elect to have a second medical examination, at the employee's expense, if the employee disagrees with the results of the Agency's physician's exam. The employee must use approved leave for the second exam. Upon request, the Agency will provide a copy of the documents which were provided to the Agency's examining professional to the employee's selected examining physician. The results of this examination will be taken into consideration when making an accommodation or separation determination.

- 29.6 The Agency may separate an employee when the Agency has medical documentation of the employee's disability and has determined that the employee cannot be reasonably accommodated in any available position, or when the employee requests separation due to disability.
- 29.7 An employee separated due to disability, will be placed in the General Government Transition Pool Program if the employee submits a written request for reemployment and has met the reemployment requirements of WAC 357-46-090 through 105. Employees participating in the transition pool program shall have no right of appeal within the program.
- 29.8 Disability separation is not a disciplinary action. An employee who has been separated due to disability may grieve their disability separation in accordance with Article 27, Grievance Procedure, unless separation was at the employee's request. Upon written request, an employee who grieves a disability separation will be provided a copy of the medical information the Agency used to make the disability separation determination

## **ARTICLE 30**

### **SENIORITY**

#### **30.1 Definition**

A. Seniority for full-time employees will be defined as the employee's length of unbroken state service. Seniority for part-time or on-call employees will be based on actual hours worked. Leave without pay of fifteen (15) consecutive calendar days or less will not affect an employee's seniority. When an employee is on leave without pay for more than fifteen (15) consecutive calendar days, the employee's seniority will not be affected when leave without pay is taken for:

1. Military leave or United States Public Health Services Workers' compensation;
2. Governmental service leave and leave to enter the Peace Corps, not to exceed two (2) years and three (3) months;
3. Educational leave, contingent upon successful completion of the coursework;
4. Reducing the effects of layoff; and/or
5. Compensable work related injury or illness leave.

When an employee is on leave without pay for more than fifteen (15) consecutive calendar days and the absence is not due to one of the reasons listed above, the employee's seniority date will be moved forward to an amount equal to the duration of the leave without pay. Time spent on a temporary layoff or when an employee's work hours are reduced in accordance with Article 31, Layoff and Recall, will not be deducted from the calculation of seniority. Employees who are separated from

state service due to layoff and are reemployed within two (2) years of their separation date will not be considered to have a break in service.

- B. For the purposes of layoffs and recall, a maximum of five (5) years' credit will be added to the seniority of permanent employees who are veterans or to their surviving spouse, or surviving state registered domestic partners as defined by RCW 26.60.020 and 26.60.030, as provided for in RCW 41.06.133.

### **30.2 Ties**

If two (2) or more employees have the same date, ties will be broken in the following order:

- A. Longest continuous time within their current job classification;
- B. Longest continuous time with the Agency;
- C. Longest continuous time with the State; and
- D. By lot.

### **30.3 Semi-Annual Seniority List Posting**

The Employer will prepare and post a seniority list and provide a copy to the Union by April 15th and September 15th of each year. The list will be updated annually and will contain each employee's name, job classification and seniority date. The list will be arranged in descending order of seniority. For the purpose of this posting, the seniority list will not include military service credit. Employees will have thirty (30) calendar days in which to appeal their seniority date to their Human Resources Office, after which time the date will be presumed correct.

- 30.4** For purposes of layoff, the Employer will, at least thirty (30) days prior to the layoff or upon request by the Union, provide the Union headquarters with the seniority list adjusted for military service credit without dates specified. The Union will provide the Employer with any known discrepancies in seniority as soon as known. The list will be arranged in descending order of seniority. The parties recognize that the list may change as new information is provided and therefore the parties agree that the list provided to the Union is an unofficial document intended only to supply general information based on DD214(s) on file with the Agency.

## **ARTICLE 31 LAYOFF AND RECALL**

### **31.1 Definition**

Layoff is an Employer-initiated action, taken in accordance with Section 31.3 below, that results in:

- A. Separation from service with the Employer,
- B. Employment in a class with a lower salary range,
- C. Reduction in the work year,
- D. Reduction in the number of work hours.

**31.2** The Agency will determine the basis for, extent, effective date and the length of layoffs in accordance with the provisions of this Article thirty (30) calendar days prior to any layoff, with the exception of those resulting from subsection 31.6 below, each affected Agency will notify its respective Union of its intent to lay off bargaining unit members. This notice shall include: the anticipated position(s) to be eliminated; an electronic list of the seniority of all bargaining unit employees including employee's job class and program; and a list of all known vacancies.

**31.3 Basis for Layoff**

Layoffs may occur for any of the following reasons:

- A. Lack of funds
- B. Lack of work
- C. Good faith reorganization
- D. Ineligibility to continue in a position that was reallocated
- E. Termination of a project
- F. Fewer positions available than the number of employees entitled to such positions either by statute or other provision.

**31.4 Voluntary Layoff, Leave Without Pay or Reduction in Hours**

Appointing authorities may allow an employee to volunteer to be laid off, take leave without pay or reduce their hours of work in order to reduce layoffs. If it is necessary to limit the number of employees in an agency on unpaid leave at the same time, the Appointing Authority will determine who will be granted leave without pay and/or reduction in hours based on seniority if all staffing needs are equal. Employees who volunteer to be laid off may request to participate in the General Government Transition Pool Program and/or have their names placed on the internal layoff list for the job classifications in which they held permanent status.

**31.5 Permanent, Non-Permanent and Probationary Employees**

Employees with permanent status will not be separated from state service through a layoff action without first being offered positions they have the skills and abilities to perform within their current job classification within the layoff unit currently held by non-permanent and probationary employees. Non-permanent employees will be separated from employment before probationary employees.

**31.6 Temporary Reduction of Work Hours or Layoff – Agency Option**

- A. The Agency may temporarily reduce the work hours of an employee to no less than twenty (20) per week, up to thirty (30) calendar days, due to severe and inclement weather or natural disaster and unanticipated loss of funding, or lack of work. Employees will normally receive notice of seven (7) calendar days of a temporary reduction of work hours.

- B. The Agency may temporarily layoff an employee for up to thirty (30) calendar days due to an unanticipated loss of funding, revenue shortfall, lack of work, shortage of material or equipment, or severe and inclement weather or natural disaster. Employees will receive notice of seven (7) calendar days of a temporary layoff.
- C. An employee whose work hours are temporarily reduced or who is temporarily laid off will not be entitled to:
  - 1. Be paid any leave balance;
  - 2. Bump to any other position; or
  - 3. Be placed on the internal layoff list.

### **31.7 Layoff Units**

- A. A layoff unit is defined as the geographical entity or administrative/ organizational unit in each agency used for determining available options for employees who are being laid off.
- B. The layoff unit(s) for each agency covered by this Agreement are described in Appendix B, Layoff Units.

### **31.8 Skills and Abilities**

Skills and abilities are documented criteria found in license/certification requirements, federal and state requirements, position descriptions, bona fide occupational qualifications approved by the Human Rights Commission or recruitment announcements that have been identified prior to the layoff.

For the purposes of layoff, the Agency will use the most current completed position description form (reviewed, approved and signed by the appropriate chain of command) as the primary basis for determining the skills and abilities necessary to perform the duties of the position. Agencies will ensure that position description forms accurately reflect the job duties of the position. The Union may challenge the use of any PDF within the bargaining unit that shows a significant change in the required skills and abilities for the position within three months of the layoff notice.

### **31.9 Formal Options**

- A. Employees will be laid off in accordance with seniority, as defined in Article 30, Seniority, among the group of employees with the required skills and abilities as defined in Section 31.8 of this Article. The Agency will determine if the employee possesses the required skills and abilities for the position. Employees being laid off will be provided an option to a comparable position in descending order within the layoff unit. Once an option as described in 1–3 below is available and offered, no further formal option will be provided.
  - 1. A funded vacant position for which the employee has the skills and abilities, within the employee's current job classification. If there are multiple funded vacancies within the layoff unit, the employee(s) will be afforded a choice of vacancies according to seniority and the required skills and abilities.

2. A funded filled position held by the least senior employee for which the employee has the skills and abilities, within the employee's current job classification.
  3. A funded vacant position or filled position held by the least senior employee for which the employee has the skills and abilities, at the same or lower salary range as the employee's current permanent position, within a job classification in which the employee has held permanent status, or, at the employee's written request, to a lower classification within their current job classification series even if the employee has not held permanent status in the lower job classification.
- B. For multi-employee layoffs, more than one (1) employee may be offered the same funded, vacant or filled position. In this case, the most senior employee with the skills and abilities who accepts the position will be appointed. Appointments will be made in descending order of seniority of the employees with the skills and abilities of the position(s).
- C. If a job classification in which an employee has previously held status has been abolished or revised, a cross-walk to the class series will be used to identify layoff options. The employee must have the skills and abilities of any identified positions(s).

Options will be provided in descending order of salary range and one (1) progressively lower level at a time. Vacant positions will be offered prior to filled positions.

### **31.10 Informal Options**

An employee being laid off may be offered a funded vacant position to job classifications the employee has not held permanent status within their layoff unit provided the employee meets the skills and abilities required of the position and it is at the same or lower salary range as the position in which the employee currently holds permanent status. The Agency will determine if the employee possesses the required skills and abilities for the position.

An employee may request an informal option to job classifications through the agency's Human Resources Office within five (5) calendar days of receipt of a written notice of a permanent layoff. The award or denial of an informal option is not subject to the grievance procedure.

### **31.11 Notification to Employees With Permanent Status**

- A. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.6, employees with permanent status will receive written notice at least fifteen (15) calendar days before the effective layoff date. The notice will include the basis for the layoff and any options available to the employee. The Union/Association will be provided with a copy of the notice at the same time the employee is notified.

- B. Except for temporary reduction in work hours and temporary layoffs as provided in Section 31.6, if the Agency chooses to implement a layoff action without providing fifteen (15) calendar days' notice, the employee will be paid their salary for the days that the employee would have worked had full notice been given.
- C. Employees will be provided seven (7) calendar days to accept or decline, in writing, any option provided to them. This time period will run concurrent with the fifteen (15) calendar days' notice provided by the Agency to the employee.
- D. The day that notification is given constitutes the first day of notice.

### **31.12 Moving Expenses**

An employee whose layoff option requires an increase of thirty-five (35) additional commute miles and who chooses to move the permanent residence to reduce the commute will be entitled to reimbursement of moving expenses as defined in OFM regulation.

### **31.13 Salary**

Employees appointed to a position as a result of a layoff action will have their salary determined as follows:

- A. Transfer or Bump  
An employee who accepts a transfer or bumps to another position within their current job classification will retain their current salary.
- B. Voluntary Demotion in Lieu of Layoff or Bump to a Lower Position  
An employee who voluntarily demotes in lieu of layoff or who bumps to another position with a lower salary range will be paid an amount equal to their current salary provided it is within the salary range of the new position. In those cases where the employee's current salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.
- C. Appointment from a Layoff List
  - 1. Employees who are appointed from a layoff list to a position with the same salary range from which they were laid off will be paid the amount in which they were compensated when laid off plus any general wage increase or step increase that occurred during the time they were laid off.
  - 2. Employees who are appointed from a layoff list to a position with a lower salary range than the position from which they were laid off will be paid an amount equal to the salary they were receiving at the time they were laid off, provided it is within the salary range of the new position. In those cases where the employee's prior salary exceeds the maximum amount of the salary range for the new position, the employee will be compensated at the maximum salary of the new salary range.

### **31.14 Transition Review Period**

- A. The Agency may require an employee to complete a six (6) month transition review period when the employee accepts a layoff option to a job classification in which the employee has:
  - 1. Not held permanent status;
  - 2. Been appointed from the General Government Transition Pool Program;
  - 3. Been appointed from a layoff list.
- B. The Agency will have the authority to extend or shorten an employee's review period as long as the extension does not cause the review period to exceed twelve (12) months. In such case, the Employer will provide written notice of the extension to the Union and employee of the basis for an extension. Employees will receive a permanent appointment to the position upon successful completion of the transition review period.
- C. The Agency may separate an employee or an employee may voluntarily separate during the transition review period. Upon separation, and at the employee's request, the employee's name will be placed on or returned to the layoff list. The employee will remain on the list until such time as their eligibility expires or the employee has been rehired, whichever occurs first. Separation during, or extension of, the transition review period will not be subject to the grievance procedure in Article 27.

### **31.15 Recall**

- A. The Agency will maintain layoff lists for each job classification that will include geographic availability. Permanent employees who are laid off will, at their request, have their name placed on the list for the job classification from which they were laid off and will indicate the geographic areas they are willing to accept employment. Additionally, employees may request to have their name placed on the layoff list for other job classifications in which they have held permanent status. An employee will remain on layoff lists for two (2) years from the effective date of their layoff.
- B. When a vacancy occurs within an agency and when there are names on a layoff list, the agency will fill the position in accordance with Article 3, Filling of Vacancies. An employee who is offered a position two (2) times and refuses the offer each time will have their name removed from the layoff list. Once an employee accepts an offer, the employee's name is removed from the layoff list for that classification unless returned to the list in accordance with other sections of this contract.

### **31.16 General Government Transition Pool Program**

Employees who are notified that they are at risk of being laid off or have been laid off may request their names be placed into the General Government Transition Pool Program administered by the Department of Personnel. When a vacancy occurs within an agency, the Agency will consider employees in the General Government Transition Pool Program

along with all other candidates, all of whom must have the skills and abilities to perform the duties of a position being filled.

### **31.17 Seasonal Career Employment**

- A. Seasonal career employees have layoff rights within their agency to other seasonal career positions within their layoff unit as provided in Appendix B. Employees will be given no less than two (2) working days' notice of a layoff.
- B. Formal options will be determined using the procedure outlined in Section 31.9, above, to other seasonal career positions. Employees separated due to layoffs will be placed on a separate seasonal layoff list for the season in which they were laid off. Employees who have the skills and abilities to perform the duties of the position to be filled will be recalled based on seniority for other seasonal career positions.

The Union will provide the Employer with the names of their committee members at least ten (10) calendar days in advance of the date of the meeting in order to facilitate the release of employees. The Employer will release employee representatives to attend committee meetings if their absences do not cause a disruption of work.

Overtime-eligible employees will be notified prior to their scheduled quitting time either to return to work after departing the worksite or to change the starting time of their next scheduled work shift.

**43.3** This Agreement supersedes specific provisions of Agency policies with which it conflicts.

**43.4** During the negotiations of the Agreement, each party had the opportunity to make demands and proposals with respect to any subject or matter appropriate for collective bargaining. Therefore, each party voluntarily and unqualifiedly waives the right and will not be obligated to bargain collectively, during the term of this Agreement, with respect to any subject matter specifically referred to or covered in this Agreement.

- 43.5** The Employer will satisfy its collective bargaining obligation before changing a matter that is a mandatory subject. The Employer will notify the Union of these changes and the Union may request discussions about and/or negotiations within the notice period. In the event the Union does not request discussions and/or negotiations within the notice period, the Employer may implement the changes without further discussions and/or negotiations. There may be emergency conditions that are outside the Employer's control requiring immediate implementation, in which case the Employer will notify the Union as soon as possible.

The parties will agree to the location and time of the discussions and/or negotiations. Each party is responsible for choosing its own representatives for these activities.

#### **ARTICLE 44 SAVINGS CLAUSE**

- 44.1** If any court or administrative agency of competent jurisdiction finds any article, section or portion of this Agreement to be unlawful or invalid, the remainder of the Agreement will remain in full force and effect. If such a finding is made, the parties agree to make themselves available to negotiate a substitute for the invalid article, section or portion.

#### **ARTICLE 45 PRINTING OF AGREEMENT**

The Employer and the Union will share the cost of printing this Agreement. The Employer will distribute one (1) copy of this Agreement to each current and new Union employee. The Employer will also post the Agreement electronically.

#### **ARTICLE 46 DURATION**

- 46.1** All provisions of this Agreement will become effective July 1, 2023, and will remain in full force and effect through June 30, 2025.
- 46.2** If this Agreement expires while negotiations between the Union and Employer are underway for a successor agreement, the terms and conditions of this Agreement shall remain in full force and effect for one (1) year from the expiration date. Thereafter, the Employer may unilaterally implement according to law.
- 46.3** Either party may request negotiations of a successor Agreement by notifying the other party in writing no sooner than January 1, 2024, and no later than January 31, 2024. In the event that such notice is given, negotiations will begin at a time agreed upon by the parties.

**A. MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE STATE OF WASHINGTON  
AND  
TEAMSTERS LOCAL 117 (DES)**

**Data Sharing Agreement**

This Memorandum of Understanding (MOU) by and between Washington State (Employer), the Washington State Office of Financial Management, State Human Resources, Labor Relations Section, and Teamsters Local 117 (DES) (Union) is entered into for the purposes of obtaining a Data Sharing Agreement (DSA) with the Union which ensures that OFM confidential information is provided, protected, and used only for purposes authorized by the data sharing agreement.

DSAs are part of a suite of tools designated to safeguard and protect employee information. DSAs are a best practice when an agency shares category 3 or higher data. Additionally, the Office of the Chief Information Officer outlines in policy #141.10 that when an agency shared category 3 or higher data outside of their agency, an agreement must be in place unless otherwise prescribed by law.

Data shared under the DSA will be in response to information requests, employee status reports, and voluntary deductions reporting as set forth in the collective bargaining agreement and covers both Category 3 and 4 data, including Personal Information and Confidential Information that OFM may provide.

**(3) Category 3 – Confidential Information**

- a. Personal information as defined in RCW 42.56.590 and RCW 19.255.10.
- b. Information about public employees as defined in RCW 42.56.250.
- c. Lists of individuals for commercial purposes as defined in RCW 42.56.070 (9).
- d. Information about the infrastructure and security of computer and telecommunication networks as defined in RCW 42.56.420.

**(4) Category 4 – Confidential Information Requiring Special Handling** Confidential information requiring special handling is information that is specifically protected from disclosure by law and for which:

- a. Especially strict handling requirements are dictated, such as by statutes, regulations, or agreements.

- b. Serious consequences could arise from unauthorized disclosure, such as threats to health and safety, or legal sanctions.

**In recognition of the above, the parties agree to the following:**

The Employer and Union strive to ensure that any sharing of personal or confidential information is supported by a written DSA, which will address the following:

- (1) The data that will be shared.
- (2) The specific authority for sharing the data.
- (3) The classification of the data shared.
- (4) Access methods for the shared data.
- (5) Authorized users and operations permitted.
- (6) Protection of the data in transport and at rest.
- (7) Storage and disposal of data no longer required.
- (8) Backup requirements for the data if applicable.
- (9) Other applicable data handling requirements.

**The provisions contained in this MOU become effective on July 1, 2023. This MOU shall expire June 30, 2025.**

BETWEEN  
THE STATE OF WASHINGTON  
AND  
PEBB COALITION OF UNIONS**

**Medical Flexible Spending Arrangement Work Group**

Since the 2019-2021 PEBB healthcare agreement between the Coalition of Unions and the State of Washington, the parties have agreed to a benefit involving a Medical Flexible Spending Arrangement (FSA). Due to unknown reasons, a majority of eligible employees did not use some or all of this benefit.

The parties agree to use the already scheduled quarterly series of meetings between Health Care Authority (HCA), Office of Financial Management (OFM) and Union staff representatives to review data and discuss possible options and solutions to increase represented employees' awareness and utilization of the FSA benefit. The parties will focus their efforts on the following items:

1. Creating an introductory paragraph explaining the FSA benefit for represented employees for use in HCA communications. This communication shall include all the participatory unions' logos and/or names provided by the unions as well as HCA/PEBB branding.
2. Exploring the option of sharing a list of all eligible employees who did not use the two hundred fifty dollar (\$250) benefit for the previous calendar year.
3. Creating a timely and targeted communication for those employees who have not yet accessed their FSA benefit.
4. Reviewing existing communications provided to new employees about the FSA benefit.
5. Assisting the Coalition of Unions with providing information to their members about the FSA benefit.
6. Ensuring that any information shared protects employees' personally identifiable information and protected health information.
7. Exploring options to provide access to this information for non-English speakers, for example, a flyer in multiple languages with notification of these benefits.

## **WEINGARTEN RECOMMENDATIONS TO EMPLOYEES<sup>1</sup>**

**The Union recommends employees take the following steps to protect their jobs<sup>2</sup>:**

1. If you are asked to attend a meeting with management which you believe may lead to discipline, ask to have a Union steward present. If possible, notify the steward or other Union official of the meeting immediately. When in doubt, ask management whether or not anything said at the meeting could lead to disciplinary action.
2. If you are unable to obtain representation before entering the meeting, you should:
  - a. Ask whether you are free to leave the room if you choose to do so;
  - b. Ask whether anything said at the interview could lead to disciplinary action or discharge;
  - c. If so, ask that (1) a Union representative be contacted and brought to the meeting place before any questioning occurs, and (2) you be permitted to speak to the Union representative in private prior to the questioning;
  - d. If a Union representative is unavailable, ask that the meeting be postponed until a Union representative can be present;
  - e. In the event the employer nonetheless insists on proceeding with the meeting, ask that a fellow employee whom you trust be brought to the meeting to act as a witness.

**If the Employer denies any or all of you the foregoing requests, the Union recommends that you comply with their demands, including answering their questions. However, you should state that you are doing so only under protest.**

---

<sup>1</sup> These recommendations do not apply when an employee faces possible criminal charges. Such employees should obtain the advice of an attorney.

<sup>2</sup> These recommendations are not appropriate in some industries and should be tailored to reflect contract and internal Union procedures.
