

TEAMSTERS FOR ACTION

On October 21, every Teamster in Local 90 will be mailed a ballot and have the chance to vote for new local leaders who are ready to take action and fight for the members. Grinnell Teamsters deserve strong representation and raises that keep up with the cost of living.

LEADERS WHO SHOW UP

Teamsters for Action leaders will show up and support members, assisting with grievance handling and enforcing the contract to protect members rights and hold employers accountable.

EDUCATE AND ENGAGE MEMBERS

Informed members make our union strong. We will empower members and stewards through education and training to become workplace leaders.

WINNING STRONG CONTRACTS

We will fight for the contract members deserve from day one, by unifying members around key bargaining demands and involving them at every step of negotiations.

UNITY, POWER, AND CHANGE

We've elected new International leaders who will bring the fight to employers. We can win that change in Local 90 too. That's Teamsters for Action.
