

VOTE YES

TO AUTHORIZE A STRIKE AT UPS

UPS Teamsters are voting to authorize a strike if UPS refuses to negotiate a fair agreement before the contract expires on July 31.

We urge every UPS Teamster to Vote Yes to win a strong contract.

A YES vote on strike authorization does not mean we are going on strike.

Voting YES will give our union more leverage at the bargaining table to win.

Voting NO would undermine our ability to win a fair contract by reducing our union's bargaining leverage.

Vote YES to show management we are ready to strike and ready to win.
