10:15 AM – 10:30 AM **Morning Session** Alexandria Burnett, Local 100

10:30 AM – 12:00 PM **Workshop Session #1**

Union Rights Every Member Should Know

Learn from experienced union reps how to use your union rights to enforce your contract. This workshop will explore Weingarten Rights, your rights in investigatory meetings, using information requests, and your rights under the NLRA.

Getting the Goods to Win Your UPS Grievance

Learn best practices for writing, documenting, and winning common grievances. We'll talk about how to anticipate management responses, winning individual grievances, and organizing group enforcement campaigns.

Build Bargaining Power with a Contract Campaign

Contract campaigns are a strategy for winning better contracts by informing and mobilizing the members. Hear from leaders and members who have built model contract campaigns and won. We will focus on local contracts and discuss identifying issues, getting members involved, and building a credible strike threat.

12:00 PM – 1:00 PM **Lunch**

1:00 - 2:30 PM **Workshop Session #2**

Getting Members to Take Union Action

Are you trying to get more members active in the union? This workshop is for you! Learn tried and true methods to get members to step up and take action.

Taking Action for Heat Safety at UPS

We won improved contract language on heat safety. Make plans with UPS Teamsters from across the region to show management we're united.

2:30 PM – 3:00 PM **Closing Session** Dustin Roach, Local 135
