

Macario Tickets: Choose-Your-Own-Price

October 13-23, 2016, Mexican Heritage Plaza, 1700 Alum Rock Ave., San José, CA 95116

Putting on a spectacular production takes a lot of time, talent – and money. That’s why the average ticket to see musical theater in the Bay Area is more than \$30.

But our theater is for everyone, so we’re putting you in charge of how much you pay to attend. **No matter what price you choose to pay, you get the same general admission ticket and you see the same exciting show.**

If you can pay the full ticket price, or a little more to support another theatergoer, that’s great! If \$10 works for you, then that’s great, too. When you get to the theater, say “hi” to your neighbor in the next seat – she might have helped pay for your ticket, or you might have helped pay for hers!
