

A MESSAGE TO LT. GOVERNOR MCNALLY AND SPEAKER CAMERON SEXTON AND  
ALL MEMBERS OF THE TN GENERAL ASSEMBLY: DEFEND THE HUMAN LIFE PROTECTION ACT!

Tennessee’s Human Life Protection Act (HLPA), is one of the most protective measures in the nation and is saving unborn children and their mothers from the tragedy of abortion. Since it went into effect, an estimated 1,000 children are being saved from abortion in our state each month.

The Human Life Protection Act stands on solid ground both from a legal and scientific perspective. We, the undersigned, urge you to keep this life-saving law intact and not do anything to weaken it. Keep protecting children in Tennessee!
