OUR MISSION

We promote the humane treatment of animals through legislation, education, and advocacy. Since 1975, THLN has solidified itself as the ONLY Texas-based mainstream organization that follows no national agenda, only what's good for Texas and its animals.

Your participation as a sponsor helps us expand our mission, amplify the voice of animal advocates across Texas, and intensify our fight for those who cannot speak for themselves.

This milestone 50th Anniversary Celebration isn't just a night of bling, but a powerful opportunity to invest in lasting change. Don't miss your chance to make history, stand with us, and be part of the next chapter in building a more humane Texas!

Honor the past. Protect the future.
