

36th Annual Walk for Life

The Walk for Life is a family-friendly, non-athletic, 30-minute walk-a-thon to raise funds to build a culture of life in North Texas and throughout the state. The Walk will be held on the first three Saturdays in June 2026 at six convenient locations in DFW and Fredericksburg.

We are recruiting walkers and sponsors for our walkers.

We use the funds to protect innocent human lives from abortion, infanticide, and euthanasia. None of the funds are used for lobbying or election-related activities.

Register as a Walker / Sponsor a Walker

Any individual can register as a walker, get pledges from sponsors, and walk at one of the six official walk sites in June. Or walkers can walk on their own anytime. To register as a walker or to sponsor a walker, visit

TexLife.org/walk

You can sponsor any registered walker through tax-deductible donations of checks, cash, credit cards, or billable pledges.
