

# FOUNDATION UPDATE

FALL 2022

## DIRECTOR'S NOTES

JPS Friends,

Happy Back to School! We are refreshed and ready for the school year! Here in the Foundation, we are gearing up for some fun events and excited to introduce a new arts initiative for grades Pre-K through 11th grade. Each grade will have an arts experience to enhance the arts curriculum. For example, all 11th graders will travel to Crystal Bridges Musuem in Bentonville, Arkansas and 1st graders will experience the Discovery Lab Children's Museum. 5th graders will have experience the Philbrook Museum and 3rd graders will visit AHHA Tulsa for an arts immersion. Look for more details to come!

Liz

## FUNDED PROGRAMS

Our Trojans Read the Way Bookmobile sponsored by Gateway First Bank just completed their summer routes! We served 1,632 students and distributed 3,264 books! We enjoyed seeing smiles, giving out popsicles and serving our Jenks community. Thank you to our TRTW volunteers of staff and students who make this program such a success!
