

# ENGAGING ALUMNI

## Dr. Scott McCarty (2001)

### *Pediatric Hematologist/Oncologist*

#### FAIRMONT MEMORIES

As a kid, Scott played soccer, was a member of the National Honors Society and math club. He was also a member of the Boy Scouts of America and tutored. Some of his favorite memories include playing FIFA in Eric Alban's basement and learning to "really embrace the inner nerd" from Mr. Ken Pifer.

#### FAMILY & HOBBIES

Scott lives in San Diego with his wife and their two year-old son (they're expecting a daughter in June). He still plays soccer twice a week and competes in Magic the Gathering local and national tournaments. He serves on the board of Agents vs. Cancer, a non-profit dedicated to delivering resources for families impacted by cancer. Look for their organization to be promoted when you're watching MLB this summer!

*McCarty's advice to the Class of 2023: Dive in to what you love after graduation. Take the risk that it may end up as a career.*

Scott followed his heart on his career path which led him to his current position as a partner with the Southern California Permanente Medical Group as a pediatric hematologist/oncologist. He is passionate about his work and is inspired by the strength of his patients.

The strong sense of community in Kettering and memories of the supportive teachers at Orchard Park, Van Buren, and Fairmont keep Scott invested in the continued success of the Kettering City Schools.

# CELEBRATING EXCELLENCE

The KCS Forward Foundation Alumni Association strives to connect alumni across generations and to showcase how the Kettering City Schools continue to build on the traditions of success created by alumni like you. We will highlight students, staff, and programs from across the district. Reach out to [KCSForwardFoundation@gmail.com](mailto:KCSForwardFoundation@gmail.com) with suggestions of what you'd like to see next!

## KETTERING MUSIC

The Fairmont Indoor Percussion Team was recently named MEPA Circuit State Champions in the Percussion Open Class Division. They were also the bronze medalist at the highly competitive WGI Indianapolis regional and were class champions at the WGI Dayton Regional in March. Mr. Tommy Roam leads this group of 38 talented and dedicated students.

## FIREBIRD ATHLETICS

The 2022-2023 Fairmont Boys and Girls Bowling Teams were incredibly successful in the OHSAA State Tournament. Both teams finished as Division 1 State Runners Up! Sophomore Danica Roseberry also came home as the Division 1 Individual State Champion, winning by one pin. We are incredibly proud of these student-athletes and how they represented our school district with excellence.

## KETTERING ART DEPARTMENT

The traditional K-12 art exhibit, re-named N2Art by Wayne Taylor in 1997, has a 40-year history. Approximately 700 art students from kindergarten to twelfth graders have art on display this year. As usual, opening night had shoulder-to-shoulder crowds of friends and families. This year, there were demonstrations of portrait bust sculpturing and wheel throwing by our excellent high school ceramics students. The N2Art show remains on display in the Fairmont Lobby until May 5.

# ENGAGING OPPORTUNITIES

Don't miss out on opportunities to engage with the KCS Forward Foundation, your fellow alums, and the Kettering City Schools!

Invite your friends and family to reconnect with other classmates and alums and follow us on social media as we continue creating moments for engagement.

## SAVE THE DATE

You already have Labor Day weekend (Sept. 1-4) on your calendar for the traditional Holiday at Home festivities, now stay tuned for details about an alumni event to add to the fun hometown holiday weekend!
