

Example Candidate/Office Holder Pledge Agreement

I, [Full Name], in my capacity as a candidate for public office or as a current office holder, recognize the importance of prioritizing the economic interests of the Bottom 99% of U.S. households (hereinafter referred to as "B99ers"). I affirm my commitment to representing and championing the economic interests of this vast majority of American households in all decisions and policies that impact their economic lives.

Commitments

- 1. Prioritization of B99er Economic Interests** I pledge to place the economic interests of B99ers at the forefront of my decision-making process on all economic issues, ensuring that policies, legislation, and initiatives are designed to benefit this majority group over any other interests.
- 2. Ongoing Dialogue** I commit to engaging in meaningful, transparent, and continuous dialogue with the B99Voters Project as the organization overseeing this pledge (hereinafter referred to as "the Oversight Organization") and with B99er constituents. This includes:
 - o Participating in regular forums, surveys, or discussions with representatives of the Oversight Organization to establish a mutual understanding of B99er positions on economic interests.
 - o Providing updates on my actions and decisions related to economic issues affecting B99ers.
- 3. Accountability and Monitoring** I understand and accept that my actions and decisions as an office holder or candidate will be monitored to ensure alignment with this pledge. I further acknowledge that failure to honor this commitment may result in the revocation of my Voter-Bloc-Qualified (VBQ) status.
- 4. Transparency** I pledge to maintain transparency regarding my positions, voting record, and other relevant actions concerning economic issues that affect B99ers. I will make this information readily accessible to the public and the Oversight Organization.

Acknowledgment of Accountability

I acknowledge that by signing this pledge, I am seeking and agreeing to the designation of Voter-Bloc-Qualified (VBQ) candidate or office holder status. I understand that this designation reflects a commitment to the principles outlined above and that maintaining this status depends on my continued adherence to these principles.
