I was sent list by Convoy supporters who told me to get the "real story"

Names & cell numbers of police officers & emergency personnel are listed. It's a security concern for officers- but will also anger. Some posts in chat group make fun of protesters.

Kurt Phillips @ARCCollective · 11h

75. Might as well just get to the point. Diagon members have released a leaked list of police officers involved in the efforts in Ottawa right now. I've edited the Telegram posts to conceal identities of those in the chat.

I deleted the original tweet to ensure more anonymity.

Salut,

Recap Commr. since last 24 hours:

- This morning Police tried to trespass on to the Iconic Cafe in down town Ottawa.
- Pierre Poilievre: Today, I told the House of Commons to reject the Emergencies Act.
- Andy Brooke: AS A FORMER RCMP (Ret'd), I am (deeply) troubled by these reported conversations.

Ezra Levant @ezralevant

You have Nazi cops bragging about hurting people. Cheering police abuses. Threatening to do more hurt. Boasting about jackboots. But you refuse to suspend those Nazi infiltrators, because they are attacking Trudeau's enemies, which gives them an exemption in your rotten force.

I don't use the word Nazi often, but when you have violent police cheering illegal brutality against Trudeau's personal enemies list, and that's all housed within Trudeau's police force run by the crooked @CommrRCMPGRC, yeah, the shoe fits. Not one of them will be fired.

Surrey RCMP News Release  
FOR IMMEDIATE RELEASE  
Date: 2022-02-19

Surrey RCMP is aware of several incidents from earlier today involving a group of aggressive protesters who surrounded members of the media. Police intervention was required due to the actions of the protesters, and to ensure that media members had safe passage to their vehicles.

Police will be following up with the reporters and camera people involved to gather their full accounts, including the collection of any video evidence.

"These kinds of acts of aggression and intimidation towards media, or any member of the public, are simply unacceptable," says Sgt Elenore Starke. "While it is not always safe for our officers to take immediate enforcement action at the time of the alleged offences based on the size of the crowd of protesters, these incidents will be fully investigated and could lead to subsequent arrests or charges."
