

PETITION TO PROTECT AND EXPAND ACCESS FOR 2SLGBTQIA+ COMMUNITIES

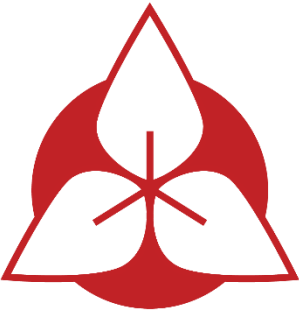

WHEREAS 2SLGBTQIA+ individuals face critical issues including affordable housing, access to inclusive and affirming healthcare, bodily autonomy, safe and inclusive workplaces, safe and inclusive schools, and access to mental health care.

WHEREAS bigotry, homophobia, transphobia, xenophobia, hate, and the vitriol of the alt-right against many equity-deserving groups is on the rise.

WE, THE UNDERSIGNED, PETITION THE LEGISLATIVE ASSEMBLY OF ONTARIO AS FOLLOWS:

- Invest in and improve access to all levels of healthcare for 2SLGBTQIA+ youth, adults, and seniors, including racialized and indigenous peoples.
- Increase funding for 2SLGBTQIA+ inclusive transitional and supportive housing, especially for racialized and indigenous youth, seniors, and people facing violence and/or housing insecurity.
- Mandate the inclusion of 2SLGBTQIA+ content in all Ontario publicly funded schools, including, but not limited to curriculum and ban the censorship of Pride symbols, 2SLGBTQIA+ books, and celebrations.
- Fund anti-hate and anti-racism public education campaigns developed and led by 2SLGBTQIA+ communities.
- Invest in grassroots 2SLGBTQIA+ community organizations, Pride events, business development, and job opportunities specifically focused towards racialized and indigenous 2SLGBTQIA+ youth and entrepreneurs.
- Provide additional and sustained funding for organizations supporting refugee claimants who are awaiting their hearings.
