The Circle of Excellence Luncheon is our campaign recognition event to honor our outstanding community champions who volunteer their time, talent and resources to promote the mission of United Way.

This celebration event highlights all the successes and hard work put forth by our valued business and community partners.

A lively award ceremony takes place during the luncheon where individuals and companies of all sizes are recognized for their excellent service and effort.

An emcee hosts more than 300 attendees, weaving in photos and video to recap the campaign year. A fun theme and activities, such as a photo booth and raffle, make the Circle of Excellence Luncheon a much-anticipated event throughout the campaign year.
