

SUMMER CHECKLIST FOR GRADUATING SENIORS

Each college will have specific steps for you as you prepare for the fall, but there are a few steps all students can take to advance their college and career success this summer.

- ✓ Explore summer opportunities with **Earn, Learn, Play**, including career exploration and paid internships; opportunities to learn beyond the classroom; and sports, arts and day camps.
- ✓ Gain work experience and earn extra money this summer by signing up for **HIRE LA's Youth** or **Youth@Work**. Both virtual and in-person opportunities are available and will follow COVID-19 health and safety protocols.
- ✓ Check your college student portal/email frequently (Monday/Wednesday/Friday) for specific updates from your campus.
- ✓ Be sure to schedule and attend orientation at your school. During orientation you will learn more about the resources available to students and select your classes.
- ✓ Look over your school's fall class schedule to get an idea of which classes will be offered, their designated times and dates and any other important information pertaining to specific courses.
- ✓ Make sure you completed and submitted enrollment paperwork applicable to you, such as transcripts, AP scores, the AB 540 Affidavit (if applicable), immunization records, etc., and paid any outstanding fees.
- ✓ Finalize your financial aid package – **check out these tips from L.A. Cash for College** to make sure all your information is in order and talk to your college's financial aid office.
- ✓ Watch L.A. Cash for College's on-demand workshops at **lacashforcollege.org/events** to prepare for your college experience.
- ✓ Research and apply for student support programs available at your school, such as Summer Bridge programs, EOP and EOPS for low-income students and CAFYES/Guardian Scholars programs for students who have been involved in foster care.

L.A. COLLEGE PROMISE INFORMATION AND ENROLLMENT

To apply for LACP, go to: lacollegepromise.org/apply.html.
For questions, please contact asklaccp@laccd.edu.

The Los Angeles College Promise (LACP) serves first-time, full-time college students to complete a higher education degree and/or a workforce certificate.

LACP is **open to all first-time, full-time students** who enroll at the nine colleges of the Los Angeles Community College District. The LACP program is helping to transform the lives of thousands of students by **providing free tuition for two years** along with comprehensive student support services and unique educational opportunities to help them complete their two- or four-year degree or career education goals.

Key elements of the LACP include:

Free tuition for two years

Priority enrollment and registration

Additional financial resources for books, food or transportation

Dedicated academic, counseling and financial aid services

Free laptop for first-year LACP students
