

K-16 REGIONAL TECHNICAL ASSISTANCE

RFP TECHNICAL ASSISTANCE (TA) OVERVIEW

- Intended to create and/or strengthen **sub-regional collaborative planning**, by providing consistent support and communication throughout the RFP development process.
- The TA will be provided within **four primary sessions** that scaffold the development of **a thoughtful, high-quality application from each of the five sub-regions**.
- Support will be tailored to build on sub-regional capacity **to develop one proposal per sub-region**.

All sessions from 3:30-5 p.m. on Zoom.
