Support the Imagination Library of Washington

Uplifting our youngest Washingtonians for a lifetime of success.

imaginationlibrarywashington.org
Our Mission: to foster a love of reading among young learners by ensuring equitable access to free monthly books mailed directly to their homes from Dolly Parton’s Imagination Library.

Reading to a child is far more than just the turning of the page. Reading books aloud helps children develop language and listening skills and prepares them to understand the written word.

These special moments cultivate a love of books and stimulate curiosity, fantasy and exploration through the power of stories.

Dolly Parton’s Imagination Library puts books into the hands and hearts of children around the world, and you can help foster a love of literacy and learning for our youngest Washingtonians!

Imagination Library of Washington, the statewide program of Dolly Parton’s Imagination Library, provides children in Washington from birth to age five a high quality, age-appropriate book in the mail each month, at no cost to the family.

As a statewide program, Imagination Library of Washington provides a 50% funding match to all local program partners (46) in Washington through funding dedicated by the Washington State legislature and our state partners, Office of the Superintendent of Public Instruction (OSPI). This funding is critical to ensure children in all corners of our state are able to register for monthly books from Dolly Parton’s Imagination Library.

As this book-gifting program surges in popularity and impacts an increasing number of children in Washington, additional funds must be raised to keep the momentum and provide more children access to free monthly books. Supporting the Imagination Library of Washington is an effective way to directly impact the lives of our youngest learners, setting them up for success upon entering kindergarten, and beyond.

With the 50% funding match from the legislature, a gift to this valuable early literacy program not only ensures children have the opportunity to experience the joy of reading, it doubles the impact you can have on a child’s future.

"Before he passed away, my Daddy told me the Imagination Library was probably the most important thing I had ever done. I can’t tell you how much that meant to me because I created the Imagination Library as a tribute to my Daddy. He was the smartest man I have ever known but I know in my heart his inability to read probably kept him from fulfilling all of his dreams."
Annual Sponsorship Opportunities

Imagination Library of Washington is advancing early childhood literacy opportunities for young children, thanks to a strong network of state and community partners, foundations, corporations, and individual donors. As we continue to grow and expand our reach, we need your help.

The good news? It costs only $15 with the state match to support one child for a year of monthly books - an affordable way to impact a young child’s life and set them up for future success.
