"The True Heroes of my Imagination Library" - *Dolly*

Dolly Parton is investing in young children and hopes you will too!

Dolly Parton's Imagination Library is the flagship program of The Dollywood Foundation, a 501(c)(3) nonprofit Tennessee organization. The Imagination Library is dedicated to inspiring a love of reading by gifting FREE books to children from birth to age five. The program is made possible through funding shared by Dolly Parton herself, and local Program Partners in five countries; U.S., Canada, United Kingdom, Australia, and the Republic of Ireland.

Your organization can play a big part in **elevating early literacy opportunities** for families with children ages birth to five through Dolly Parton's Imagination Library. Improving early childhood literacy with the Imagination Library creates opportunities for children to thrive so that they succeed in school and help their communities grow and prosper.

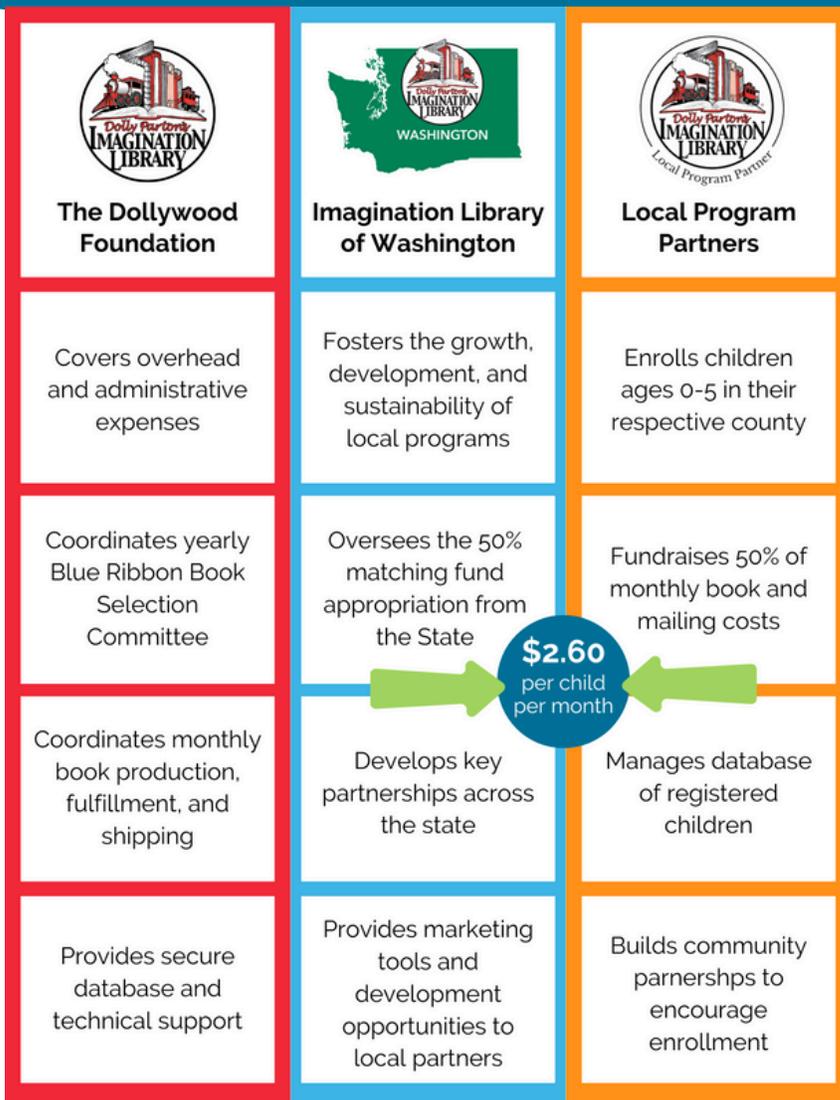

"Knowing that we are filling such a crucial role in helping to prepare our earliest learners for future success is inspiring. We consistently hear from parents, educators, healthcare professionals, and local social service organizations how important this program is and what a key role low-barrier access to books plays in children's development."
