

The Green Party of Vancouver Board of Directors passed a motion at an open Board meeting on January 14, 2019 amending the Open Board Meeting policy as follows:

- All Board meetings are open to members in good standing
- Members may request to attend a GPV Board meeting, to speak to a particular scheduled agenda item or to request an item be added to the agenda.
- Requests to speak should be submitted or forwarded to the Chair or Secretary.
- The Board may decline requests from Members to attend if they cannot be accommodated in the room, there are some agenda items that require an in-camera discussion or for other compelling reasons.
- The Board will make a best effort to accommodate requests from Members to attend or to submit an agenda item, including rescheduling the agenda so the Member may leave the meeting after their item(s) of interest have been discussed.
