

OUR VOLUNTEER TEAMS!

Climate Care Team	Support the development of a sustainability program to help vet teams reduce emissions and become environmentally sustainable.
Communications Team	Work across our spectrum of projects and activities by writing policy submissions, letters to MPs, and media articles and appearances.
Seminars Team	Arrange and facilitate online seminars from expert speakers on climate change and the veterinary industry.
Social Media Team	Work to develop content for a wide range of social media platforms as well as to respond to and moderate engagement.
Fundraising Team	Find and apply for grants, run crowdfunding campaigns and help us to keep VfCA running!
Former CVOs	A team of more than a dozen former Chief Veterinary Officers (CVOs) working on a range of activities such as writing papers on climate change and animals, taking part in government consultation processes, writing to decision makers, speaking to the media and more.
General Admin Team	Participate when you can, how you can! This may include tasks like attending conferences, finding and developing resources, and helping with the day to day functioning of VfCA.
