

2025 Farmacy Project Data Report

Since 2015, Farmacy Project has reached over 4,700 individuals in Rutland County, investing over \$456 thousand into the local community.

Farmacy Members at a Glance

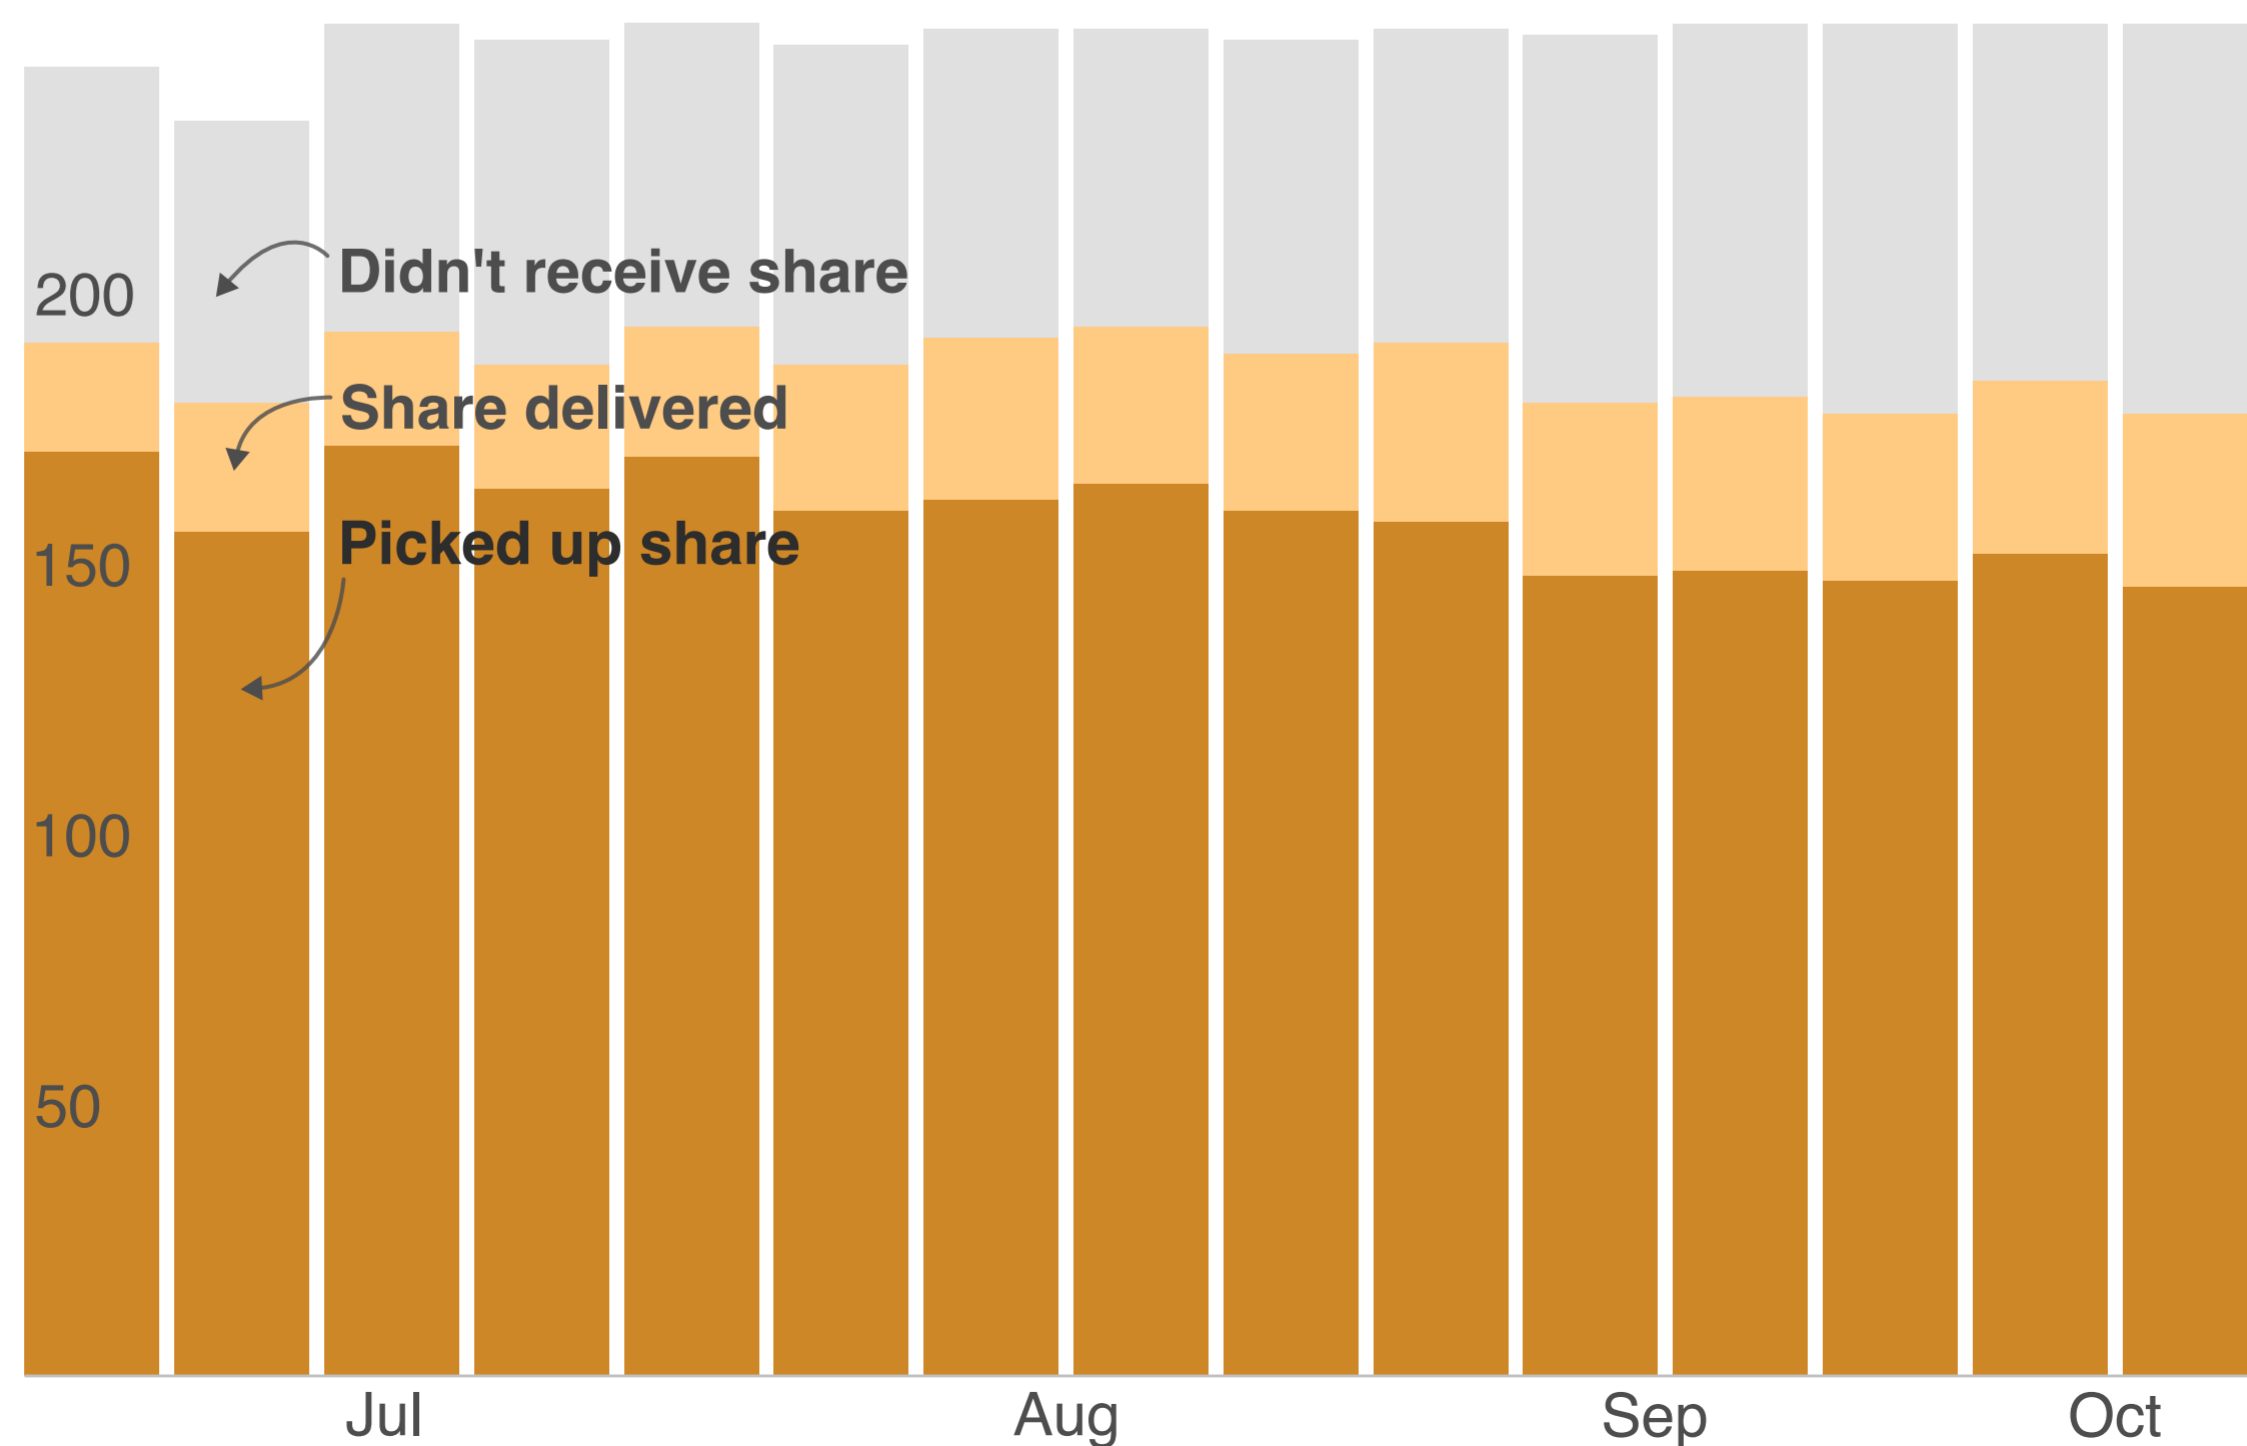

Percent of Farmacy 2025 members or member households that fit into each category, compared national averages

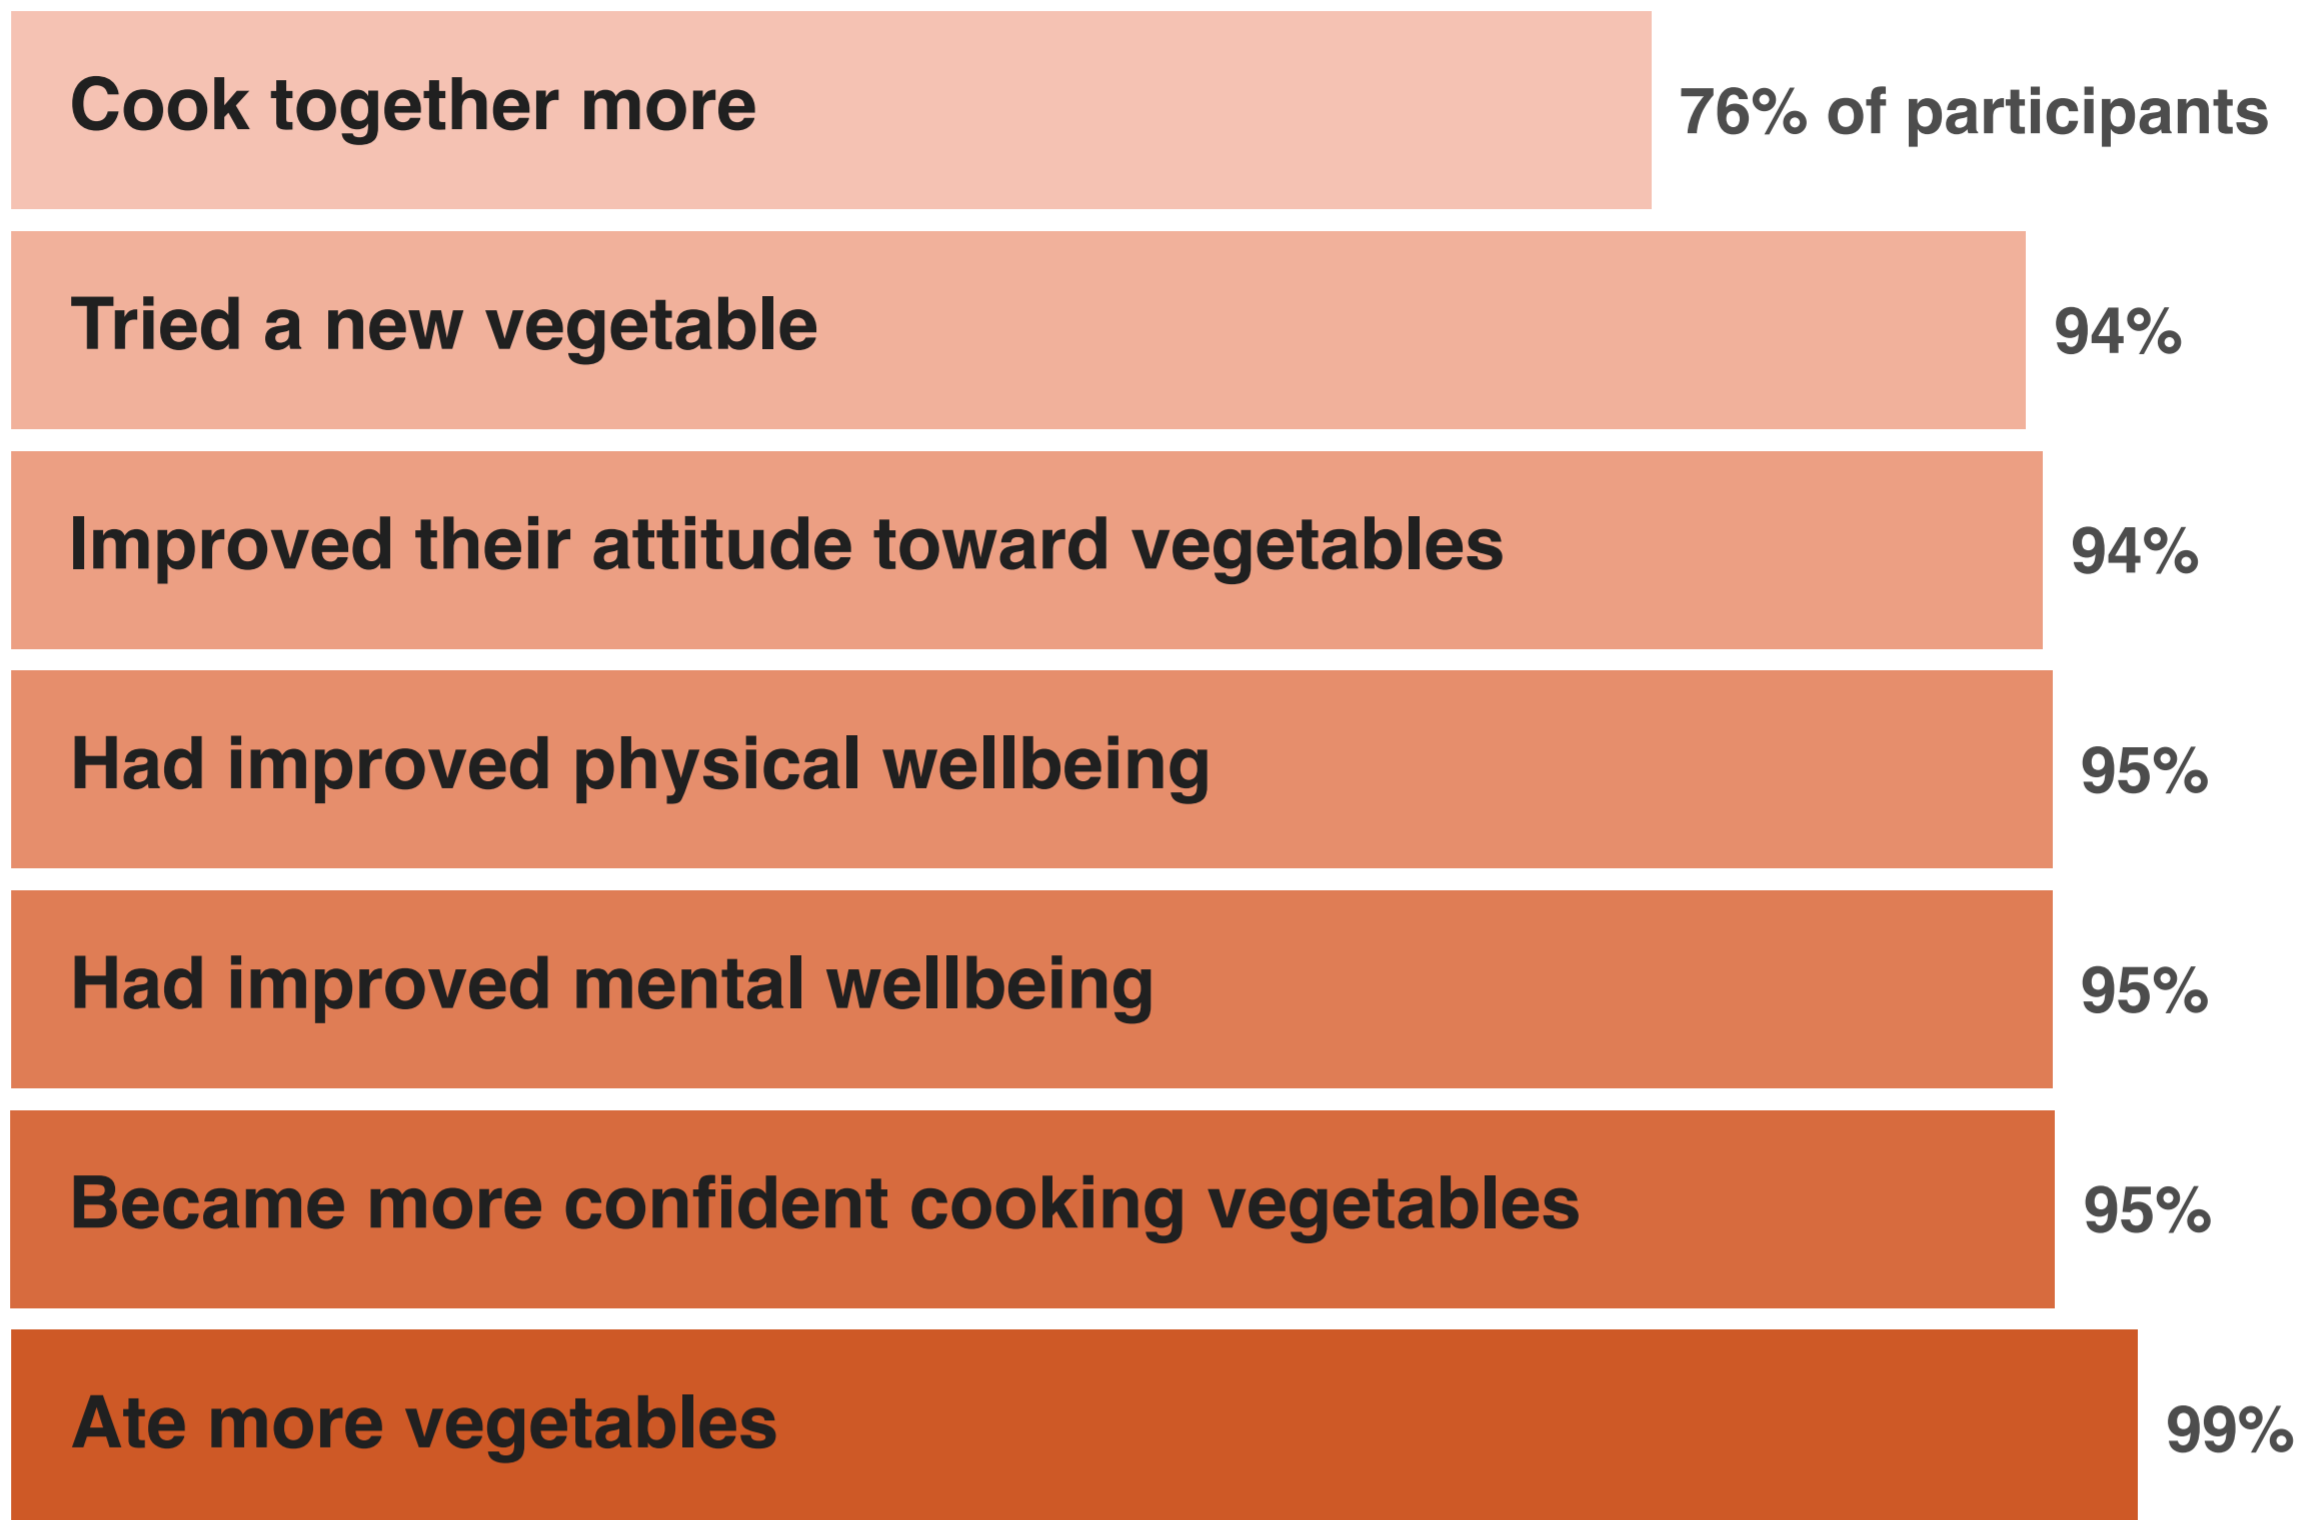

National averages are sourced from the U.S. Census Bureau, the USDA, and the CDC

In the 15 Week Program, Over 2800 Vegetable Shares Were Distributed

Number of Farmacy members who received a share each week, out of all enrolled members

After the Farmacy Program, Most Participants Agreed That Their Households...

From Our Members:

"I feel blessed by this program!"

"Farmacy helps make ends meet so I can eat healthy"

"Thank you for helping me improve my physical and mental health"

"Farmacy prompted me to eat more vegetables and healthier in general"

"We learned to try new veggies and how to cook them."

"The bags really brought us together and lifted our spirits - all working together"

Thanks to Our Farms and Sponsors!
