WE ARE UNION

"This election, I will vote to protect our rights at work."

The Liberal Party has promised to scrap recently won improvements to our rights at work:

- pushing to cut superannuation to 9%
- they will kill off new 'right to disconnect' laws, which stop bosses hassling us at home
- they will wreck 'same job, same pay' laws

- they will take away rights for casual workers, making them easier to exploit and to sack
- they will scrap laws that criminalise wage theft.

This is just the start. The Liberal Party says **"everything is on the table"** when it comes to dismantling Australians' rights at work.
