

Understand Ranked Choice Voting

Ranking all **5** won't hurt your 1st choice & blocks candidates you don't support!

Fill the **5** with **Anyone But Cuomo**

Maximize Your Power — Leave no votes on the table

- ★ Rank **5** candidates in order of preference
- ★ If no candidate gets over 50%, the candidate with the fewest votes is eliminated
- ★ Elimination rounds continue until a candidate has more than 50% of the vote
- ★ Think of your **5** rankings as **5** elections; if you rank only 2, you may miss elections 3, 4, and **5**

What To Do

- ★ Rank **5** candidates you trust, not just 1. Leave no blanks!
- ★ Leave Andrew Cuomo off your ballot (more on the back)
- ★ Tell friends & neighbors to do the same

N **CUOMO** **The Comeback** **No One Asked For**

**Cuomo wants you to remember his
TV press briefings—Not his actions as
governor that continue to harm NYC**

The Real Story (Full list here: <https://bit.ly/Rank5NoCuomo>)

- ➔ **Cut funding for 1,000 psych beds**, family shelters and rental assistance—increased homelessness by 16,000
- ➔ **Blocked Democrats’ legislation** on Roe, voter rights, and tenant protections for years
- ➔ **Covered up thousands of nursing home COVID deaths**
Held up Citi Field mass vaccinations to spite de Blasio
- ➔ **Used \$61 million in taxpayer dollars** to fund his *ongoing* legal defenses

Red Flags You Can’t Ignore

- 🚩 Resigned in disgrace over 13 sexual harassment accusations
- 🚩 Campaign fueled by Trump donors and supporters
- 🚩 Just like Mayor Adams! Under legal pressure from day one, ready to cut a deal with Trump’s DOJ and sell out NYC while nothing gets done
