

Voices of Malvern Charter

Voices of Malvern (VoM) describes the way we engage with the people and do politics. It expresses the values and behaviours we hold dear, the way we relate to our fellow citizens and the principles that guide how we arrive at decisions and courses of action. This Charter will apply equally to our elected representative.

The values we abide by

- Respect
- Integrity
- Inclusivity
- Positivity

The behaviours we each strive to adopt:

- We strive to be kind, compassionate and welcoming
- We strive to listen respectfully and learn from others
- We strive to engage constructively

How we decide and act:

- We actively engage with the community to reflect their concerns in decision making.
- We use evidence based, scientific and sociological advice to formulate policy and decide on courses of action.
- We support open, transparent and accountable government.
- We seek to build a fairer society that respects human dignity and the well-being of all its citizens.

Voices of Malvern Guiding Principles

1. Genuine community consultation and representation
2. Equality for all
3. Integrity and Accountability
4. A healthy and sustainable future

I agree to conduct myself in accordance with the Voices of Malvern Charter
