

To the Negotiated Rule Making Committee:

The Superintendent of Public Instruction's recommended changes for ARM 10.55.709, 10.55.710, 10.55.901, 10.55.902, 10.55.904, and 10.55.905 are outrageous. Who would want their children to attend a school with such low standards? I certainly would not and I don't know anyone else who would. I encourage the Negotiated Rule Making Committee to reject every one of those recommendations and vote to keep the quality standards currently in effect.
