

DE-CORRUPT POLITICS

**Sustainable
Australia Party**

Sustainable Australia Party is an **independent community movement** with a **science and evidence-based** approach to policy.

Sustainable Australia Party's mission is to **DE-CORRUPT POLITICS** for a **fair and sustainable Australia**.

Sustainable Australia Party's plan:

De-corrupt politics

Protect our environment

Stop over-development

Slow population growth

End the housing crisis

There's more under **Policies**. Plus, sign up to our **eNewsletter**:
