### **1. Project Description**

WCA is issuing a Request for Proposals (RFP) for survey services and creation of legal descriptions of portions of two contiguous properties for the purpose of a Lot Line Adjustment. The objective of this RFP is to select Consultant(s) best qualified to perform the work described in this RFP.

The properties for which a Lot Line Adjustment is sought include the parcels whose AINs are: 8385-016-007, 8426-021-020, 8385-016-905, and 8426-021-901. The proposed new boundary lines are shown in Exhibit A: Current and Proposed Boundary Lines.

Boundary monuments shall be placed to memorialize the location of the line.

The most highly qualified consultant(s)/consulting firm(s) is/are expected to be selected and the contract awarded around August 30, 2022. The requested services are to occur as soon as possible.

WCA has the right to reject all proposals. WCA does not guarantee that any work will be made under the agreements during the contract period to the selected respondent(s).

The Watershed Conservation Authority (WCA) is a local public entity of the State of California recognized as a joint powers authority, exercising the joint authorities of the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy (RMC) and Los Angeles County Flood Control District (LACFCD) pursuant to Section 65000 et seq. of the Government Code. The purpose of the WCA is to expand and improve open space and recreational opportunities for the conservation, restoration, and environmental enhancement of the San Gabriel and Lower Los Angeles Rivers Watershed area consistent with the goals of flood protection, water supply, groundwater recharge and water conservation.

WCA's vision of Connecting Communities through Nature embraces a 'work with nature' approach to watershed enhancement. WCA partners with local and regional entities to plan and implement projects to improve our watersheds through investment in open space, parks, trails, bikeways, and greenways. WCA maintains more than 500 acres of open space, ranging from foothills lands to urban river parks that serve some of the densest and most diverse neighborhoods in the country. Additional information can be found at [wca.ca.gov](http://wca.ca.gov).

## **2. Background: WCA's Walnut Creek Habitat and Open Space:**

WCA and Buddhist Compassion Relief Tzu Chi Foundation each respectively own property on adjacent lots in San Dimas. WCA and Tzu Chi are seeking to complete a Lot Line Adjustment LLA by the end of 2022 in order to conform lot lines to current and anticipated uses.

WCA's Walnut Creek Habitat and Open Space, 60 acres of public lands near San Dimas, were acquired for the purposes of watershed restoration and public access. The Lot Line Adjustment will allow WCA's new Walnut Creek Nature Loop to connect with the Antonovich trail maintained by Los Angeles County.

The Tzu Chi Foundation is an international humanitarian organization whose mission is to relieve the suffering of those in need, and create a better world for all through compassion, love and hope. The Lot Line Adjustment will correct the current situation in which several built structures currently straddle the property boundary.

## **3. Scope of Work**

The selected Consultant will work under the direction of the WCA Project Manager.

1. Consultant will create legal descriptions and exhibit plats of the portions of parcels to be conveyed in the Lot Line Adjustment. These areas are shown in (Exhibit A: Proposed Boundary for Lot Line Adjustment).

Consultant will be provided with a CAD file from the 2008 topographic survey (Exhibit B).

2. In areas C and E shown in the inset of Exhibit A, WCA and Tzu Chi Foundation will place stakes to mark the new boundary to be surveyed where these are not aligned with existing parcel boundaries. Consultant will create the legal description and plats based on those points, and will set permanent boundary markers at those points.
3. Due to the funding constraints, the legal descriptions shall be completed and ready for use in a Lot Line Adjustment application before November 1, 2022 or as soon as possible.
4. All chart data and map files (including but not limited to .dwg, .shp, .kmz, .lyr) produced for this scope should be provided to WCA in their original file format.

Note that invoices shall be submitted upon completion of agreed tasks and not more frequently than once a month, in arrears. A variation of the terms (i.e., change in project representative, change in budget) requires mutual consent from the WCA and Contractor. No verbal understanding, agreement, or amendment not incorporated into the Agreement is binding on either party.

1. CONSULTANT'S SERVICES: The Consultant's services, as briefly summarized above, is set forth fully in the attached Exhibit A, Scope of Work. In the event of any actual or perceived discrepancy between the summary of the Consultant's services contained herein and the Scope of Work in Exhibit A, the Scope of Work in Exhibit A shall control.

Monthly invoices shall be accompanied by an analysis of work completed for the invoice period. This analysis shall be prepared in a format satisfactory to Executive Officer or authorized representative.
- b. In the event that budget reductions occur in any fiscal year covered by this Agreement that may cause WCA to consider terminating this Agreement, the parties agree to attempt to renegotiate the terms of this Agreement to reduce the cost thereof in lieu of termination under the termination provisions of the contract.
- c. Consultant will not be required to perform services which will exceed the contract amount, scope of work, and contract dates without amendment to this Agreement.
- d. Consultant will not be paid for any expenditure beyond the contract amount stipulated without a written amendment to this Agreement.

3. EQUIPMENT AND SUPPLIES: Consultant agrees to furnish all necessary equipment and supplies used in the performance of the aforementioned services and as set forth in the Exhibit A Scope of Work.

5. TERMS AND TERMINATION: The term of this Agreement shall commence on the date stipulated on Page 1 of this agreement, through Month, Day Year and unless otherwise modified, shall terminate on the date that the work is accepted by WCA. Either Party may

cancel or terminate this Agreement for any lawful reason, without any liability other than payment for work already performed, up to the date of termination by giving seven (7) days written notice of such termination to the other Party.

In the event of any such termination, Consultant shall provide to WCA a termination report within thirty (30) days consisting of all drawings, specifications, reports, and data accumulated through the date of such termination in a form accessible and usable by WCA.

#### 6. INDEMNIFICATION:

6.1 WCA agrees to indemnify and hold harmless Consultant against any and all damages, claims, liabilities, costs, suits, or expenses arising from Consultant's lawful activities on behalf of WCA under this Agreement for which WCA would be liable if Consultant were an employee, or to the extent the negligent acts and/or omissions of WCA cause or contribute to any loss or damage giving rise to the claim, suit or cause of action.

6.2 Consultant agrees to indemnify, defend, and hold harmless WCA, RMC, and the Los Angeles County Flood Control District, their Board of Supervisors, Executive Officers, agents, its elected or appointed officials, officers, and employees from and against any and all damages, claims, liabilities, costs, suits, or expenses, including reasonable defense costs and legal fees, and claims for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, or property damage arising from, or connected with, Consultant's negligent, willful or unlawful acts, errors or omissions, or unlawful actions, operations, or services hereunder, as well as any Workers' Compensation suits, liability, or expense arising from, or connected with, services pursuant to this Agreement.

6.3 Neither the Consultant, nor any agents or subconsultants of any tier, shall be obligated to indemnify the WCA and its related persons and entities for liabilities caused by the willful negligence of the WCA and its related persons and entities. However, this provision does not limit any obligation to defend or indemnify the WCA and its related persons and entities arising under the policies of insurance maintained by the Consultant under Article 9, below.

6.4 Consultant agrees to require that any subconsultants, subcontractors, and independent contractors maintain the same insurance coverage which it is required to maintain under Article 9, below, including but not limited to, the obligation to name the WCA and its related persons and entities as additional insureds under each such policy.

6.5 Consultant further agrees to require any subconsultants, subcontractors, and independent contractors to indemnify, defend and hold harmless the WCA and its related persons and entities from any and all claims, liabilities, expenses, lawsuits, actions, or proceedings arising from, or connected with, any negligent act or omission of each such subconsultant, subcontractor, or independent contractor, its agents, or subconsultants of any tier.

6.6 Consultant's failure to require any subconsultant, subcontractor, or independent contractor to provide insurance and indemnification shall constitute a material breach of this Agreement. In the event of such breach, the WCA may, among other things, terminate this Agreement, suspend work being performed on the project by or on behalf of the Consultant, or in its sole discretion, the WCA may obtain replacement insurance coverage. In the event that replacement coverage is obtained, the Consultant shall, upon demand, repay the WCA for the full amount of premiums paid by the WCA for the replacement coverage. In its sole discretion, the WCA may offset the cost of premiums against any monies due to the Consultant from the WCA.

7.0 LIABILITY AND INSURANCE: Without limiting Consultant's indemnification of WCA and during the term of this Agreement, Consultant shall provide and maintain at its own expense the programs of insurance detailed below. Such programs and evidence of insurance shall be satisfactory to the WCA and primary to and not contributing with, any other insurance maintained by the WCA. Certificate(s) or other evidence of coverage shall be delivered to the Watershed Conservation Authority, 100 N. Old San Gabriel Canyon Road, Azusa, CA 91702 prior to commencing services under this Agreement, shall specifically identify this Agreement, and shall contain the express condition that WCA is to be given written notice by registered mail at least thirty (30) days in advance of any material modification or termination of insurance.

7.1 Failure by Consultant to procure and maintain the required insurance shall constitute a material breach of contract upon which WCA may immediately terminate or suspend this Agreement.

7.2 The Consultant shall obtain the following forms of liability insurance and such insurance shall be endorsed naming the Watershed Conservation Authority as an additional insured.

7.2.1. General liability insurance written on a commercial general liability form or on a comprehensive general liability form covering the hazards of premises/operations, contractual, independent contractors, advertising, products/completed operations, broad form property damage, and personal injury with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence.

7.2.2. Comprehensive auto liability for all owned, non-owned, and hired vehicles with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence.

7.2.3. Workers' Compensation: Insurance in an amount and form to meet all applicable requirements of the Labor Code of the State of California, including Employer's Liability with a One Million Dollar (\$1,000,000) limit, covering all persons the Consultant is legally required to cover. If Consultant is a sole proprietor and is not legally required to cover anyone, Consultant shall be exempt from this specific insurance requirement with the understanding and guarantee by Consultant that Consultant's status in this regard will remain unchanged for the full duration of its performance under this Agreement. Should Consultant's status as a sole proprietor change, it shall notify WCA in advance and shall immediately obtain the required insurance under this provision. Failure to do so shall constitute a material breach of this Agreement.

7.2.4. Professional Liability: Insurance covering liability arising from any error, omission, or negligent act of the Consultant, its officers, or employees with a limit of liability of not less than One Million Dollars (\$1,000,000) per claim or occurrence, and Two Million Dollars (\$2,000,000) in aggregate. If written on a Claims Made Form, Consultant shall continue to provide coverage for this project for a period of two years from the date of termination or completion of this Agreement.

8.0 ANTI-DISCRIMINATION: The Consultant shall abide by the following provisions found in Section 4.32.010 et seq. of the Los Angeles County Code:

8.1 Consultant certifies and agrees that all persons employed by Consultant, its affiliates, subsidiaries, or holding companies are, and will be, treated equally by Consultant without regard to or because of race, religion, ancestry, national origin, sex, or orientation, and in compliance with state and federal anti-discrimination laws. Consultant further certifies and agrees that it will deal with its subconsultants, bidders, and vendors without regard to or because of race, religion, ancestry, national, origin, or sex. Consultant agrees to allow access to its employment records during regular business hours to verify compliance with the foregoing provisions when so requested by WCA.

8.2 Consultant specifically recognizes and agrees that if WCA finds that any of the foregoing provisions have been violated, the same shall constitute a material breach of contract upon which WCA may determine to cancel, terminate, or suspend the contract. While WCA reserves the right to determine individually that

the anti-discrimination provision of the contracts have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Consultant has violated state or federal anti-discrimination laws shall constitute a finding by WCA that Consultant has violated the anti-discrimination provisions of the contract.

8.3 At its option, and in lieu of canceling, terminating, or suspending the contract, WCA may impose damages for any violation of the anti-discrimination provisions of this clause, in the amount of Two Hundred Dollars (\$200) for each violation found and determined. WCA and Consultant specifically agree that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and the nature of the violation, it is impracticable and extremely difficult to fix actual damages.

#### 9.0 INDEPENDENT CONSULTANT STATUS:

9.1 This Agreement is by and between WCA and Consultant and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between WCA and Consultant.

9.2 Consultant understands and agrees that all persons furnishing services to WCA pursuant to this Agreement are, for purposes of Workers' Compensation liability, employees solely of Consultant and not of WCA.

9.3 Consultant shall bear the sole responsibility and liability for furnishing workers' compensation benefits to any person for injuries arising from, or connected with, services performed on behalf of Consultant pursuant to this Agreement.

10. ASSIGNMENT: This Agreement shall not be assigned without the prior written consent of WCA. Any attempt to assign without consent shall be void and confer no rights on any third parties, and shall not relieve Consultant of its obligations under this Agreement.

11. FORUM SELECTION: Consultant hereby agrees to submit to the jurisdiction of the courts of the State of California. The exclusive venue of any action brought by Consultant, on Consultant's behalf or on the behalf of any sub-consultant, which arises from this Agreement or is concerning or connected with services performed pursuant to this Agreement, shall be deemed to be in the Los Angeles Superior Court.

12. CONFLICT OF INTEREST: No WCA employee in a position to influence the award of

this Agreement or any competing agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Consultant herein, or have any other direct or indirect financial interest in this Agreement.

13. PROHIBITION FROM INVOLVEMENT IN BIDDING PROCESS: Consultant understands and agrees that neither it nor its subsidiaries shall be involved in any way in the bidding process on any Request for Proposal developed or prepared by or with the assistance of Consultant's services rendered pursuant to this Agreement, either as a prime consultant or sub-consultant, or as a consultant to any other prime consultant or sub-consultant. Any such involvement by Consultant shall result in the rejection by the WCA of the bid by the prime consultant in question.

#### 14. GRATUITIES

14.1 It is improper for any WCA Executive Officer, employee, or agent to solicit consideration, in any form, from Consultant with the implication, suggestion, or statement that Consultant's provision of the consideration may secure more favorable treatment for Consultant in the award of the contract or that Consultants' failure to provide such consideration may negatively affect WCA's consideration of Consultant's submittal. Consultant shall not offer or give, either directly or through an intermediary, consideration, in any form, to a WCA Executive Officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the contract.

14.2 Consultant shall immediately report any attempt by a WCA Executive Officer, employee, or agent to solicit such improper consideration. The report shall be made to Executive Officer or authorized representative.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

#### 15. TERMINATION FOR IMPROPER CONSIDERATION

17.1 WCA may, by written notice to Consultant, immediately terminate the right of Consultant to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Consultant, either directly or through an intermediary, to any WCA Executive Officer, employee, or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment, or extension of the Agreement or the making of any determinations with respect to Consultants' performance pursuant to the Agreement. In the event of such termination, WCA shall be entitled to pursue the same remedies against Consultant as it could pursue in the event of default by

Consultant.

**16. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT:**

Consultant shall notify its employees and shall require each sub-consultant to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirement set forth in Internal Revenue Service Notice 1015.

**17. REDUCTION OF SOLID WASTE:** Consistent with the WCA's policy to reduce the amount of solid waste deposited in landfills, the Consultant agrees to use recycled-content paper to the maximum extent possible on the project.

**18. WCA RIGHTS:** The WCA may employ, either during or after performance of this contract, any right of recovery the WCA may have against the Consultant by any means it deems appropriate including, but not limited to, set-off, action at law or in equity, withholding, recoupment, or counterclaim. The rights and remedies of the WCA under this contract are in addition to any right or remedy provided by California law.

**19.
