

Building Esteem Together

BET Group is a 4-session training for Yong Men who have sex with Men (12-29 years old) of color to:

Increase awareness on minority stress

Understand its impact on mental, sexual, and overall health

Gain coping tools to better navigate stress

Build a supportive community among peers

Receive a certificate of completion (+ incentives)

Grant access to co-facilitation/facilitation opportunities in future BET and peer trainings

Educational component funded by the
Centers for Disease Control and Prevention,
Los Angeles County Dept. of Public Health, Division
of HIV and STD Programs for PHE-VP Services.
