Allegra Spender A BETTER CLIMATE FOR WENTWORTH

✓ Climate action

- Legislate emissions cuts by at least 50% by 2030 and enact Zali Steggall's Climate Change Bill to give independent oversight of Australia's climate policies
- Legislate emissions standards on vehicles and increase charging infrastructure to drive electric vehicle uptake
- National plan for investment in resilience to floods and bushfires
- Stop over \$10 billion in annual government subsidies for fossil fuels

✓ Honest politics

- Legislate for a truly independent, federal ICAC with teeth by enacting Helen Haines' Federal ICAC Bill
- Introduce legislation to increase transparency of donations and cap election spending
- Require all major government spending to have published business case and increase transparency of government grant-making programs to stop pork-barrelling
- Preserve ABC funding and champion independent, unbiased reporting

✓ New economy

- Provide certainty around decarbonisation so business can invest with confidence and lead the world in clean innovation
- Drive productivity and wages growth through cutting red tape, review of inefficient taxes and supporting skilled migration
- Support small business and the arts in Wentworth to recover from COVID and thrive in the new economy
- Build a stronger, inclusive workforce through greater access to childcare and incentives for both parents to take parental leave

✓ Inclusive Society

- Increase refugee intake to 20,000 per year and stop the indefinite detention of asylum seekers and refugees
- Support the adoption of the Uluru Statement from the Heart and a First Nations voice in our constitution
- Stand for respectful treatment of women, LGBTQI+ people and minorities
- Promote diversity in public office and the workplace

✓ First-class healthcare and education

- Drive for a 2nd public high school in Wentworth
- Invest in research and innovation in the university sector for a smart future
- Support the implementation of the findings of the Aged Care Royal Commission
- Support improved delivery for the NDIS and reduction of complexity for families
- Focus on prevention in healthcare, and better coordinated delivery across the state and federal systems
- Pilot a digital local network of mental health services in Wentworth, to improve transparency and access to mental health
