Proposer: **Sarah Crofts**

Type of amendment: **Amendment to policy motion**

Title of motion you wish to amend: **Gender self ID and single sex spaces**

Motion text you wish to amend: None

Wording of amendment:

- 1 We propose that this motion would be of most benefit to the party if discussed as part of a special
 - 2 debate at party conference.
-

Amendment rationale

- 3 At 2018 conference, a vote by delegates asked the party to 'refer back' a similar motion around self-
 - 4 identification and to consult wider membership. This process has not yet been completed and
 - 5 members have not been afforded the opportunity to have their say.
 - 6 A special debate could inform this process, as opposed to abandoning it.
 - 7 Putting a motion forward now would mean a reversal of the party's previous commitment to
 - 8 consultation, while still in the process of carrying it out.
