

## Women's Equality Party Conference

26 November 2022

---

Amendment title: **Amendment to Accelerating Climate Justice**

---

Proposed by: **WE Greater Manchester Branch**

Proposer: **Samantha Days**

---

Type of amendment: **Amendment to policy motion**

---

Title of motion you wish to amend: **Accelerating Climate Justice**

---

### Motion text you wish to amend:

Lines 13 and 15.

1. Immediately establishes a national scheme to fully fund the insulation of all social housing and all new build properties in Britain by 2025.
2. Within 6 months produce and implement a legally binding national plan to fully fund full low energy and low-carbon whole-house retrofit, and reinstate grants for installation of renewable energy, for all homes in Britain by 2030.

---

(N.B. Text in lilac and underlined is new text.)

### Wording of amendment:

- 1 The following to be added to line 13 – 'for the relevant developers to fully fund insulation costs of':
    - 2 1. Immediately establishes a national scheme to fully fund the insulation of all social housing and  
3 for the relevant developers to fully fund insulation costs of all new build properties in Britain by  
4 2025.
  - 5 The following to be added to line 15 – ' , which should be means tested,'
    - 6 2. Within 6 months produce and implement a legally binding national plan to fully fund full low energy  
7 and low-carbon whole-house retrofit, and reinstate grants, which should be means tested, for  
8 installation of renewable energy, for all homes in Britain by 2030.
-

---

**Amendment rationale**

9 We support this motion but would want developers of new-build properties to be responsible for  
10 funding the insulation of the properties they build and to follow government regulations. We also  
11 believe that funding for the retrofitting of houses should have an income threshold, applied through  
12 means testing, so wealthy people should be required to fund their own retrofits.
