

# ART'OTEL, 84 - 86 GREAT EASTERN STREET

## JUNE 2022 UPDATE ON CONSTRUCTION

### NEW HOTEL

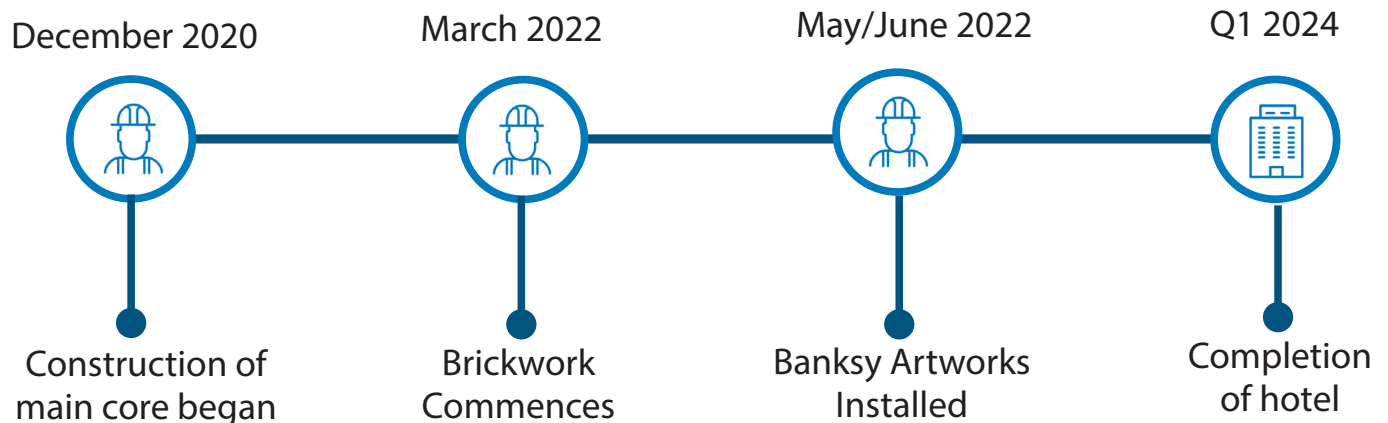

In March 2019, Hackney Council granted planning consent for art'otel London, a 27-storey, 343 bedroom contemporary hotel. The hotel will offer a ground floor modern restaurant & bar, including a new gym accessible to the public. The basement areas will also offer a public art gallery, auditorium and a relaxing spa open to hotel guests and the general public. In addition, there will be five floors of office space.

Work is progressing well on site and the Hotel is starting to take shape. Work on internal fitting has begun, with hotel rooms being installed. Topping out has been completed. The Banksy Rat mural was finally installed on 15 May, with the TV mural awaiting installation. Here is the QR Code to a quick update video.
